The administrator shall devise and promulgate to all county departments uniform standards for the keeping of complete and detailed records as required by this chapter. The contractor will, upon request, furnish all information and reports as reasonably required by the administrator to determine compliance with this chapter, and the affidavit and certificate of compliance, and will permit access to its books, records and accounts for purposes of investigation to ascertain compliance with the nondiscrimination and affirmative action requirements of this chapter. Unless otherwise required by law, all information, data or records obtained pursuant to the monitoring and investigation activities authorized under this chapter shall be kept confidential by the county, except that the county may release such information when requested to do so in cooperation with state and federal agencies administering and enforcing state and federal laws against discrimination. (Ord. 11992 § 12, 1995).

12.16.115 Enforcement.

A. Where a complaint alleging a violation of this chapter has been filed by any individual or entity, including a contract awarding authority, within six months of the completion of all work on a contract alleging a violation of this chapter by a contractor or where, within that same time period, evidence of a violation is discovered from information gained through compliance monitoring, the administrator shall cause to be served or mailed, by certified mail, return receipt requested, a copy of the complaint or notice of investigation on the respondent within twenty days after the filing of said charge and shall promptly make an investigation thereof. If the investigation is conducted by a party selected by the administrator, the costs of such investigation shall be borne by the department or project, as applicable, for which the contract was awarded. The investigation shall be directed to ascertain the facts concerning the violation alleged in the complaint and shall be conducted in an objective and impartial manner. During such investigation, the administrator shall consider any statement of position or evidence with respect to the allegations of the complaint which the complainant or the respondent wishes to submit.

1. The administrator shall have the authority to sign and issue subpoenas requiring the attendance and testimony of witnesses, the production of evidence including but not limited to books, records, correspondence or documents in the possession or under the control of the person or entity subpoenaed, and access to evidence for the purpose of examination and copying as is necessary for the investigation. The administrator shall consult with the prosecuting attorney before issuing any subpoena under this section.

If an individual or entity fails to obey a subpoena issued hereunder, or obeys a subpoena but refuses to testify when requested concerning any matter under investigation, the administrator may seek the assistance of the county prosecuting attorney by requesting that the prosecutor petition the Superior Court for King County for an order or other appropriate action necessary to secure enforcement of the subpoena.

2. The results of the investigation shall be reduced to written findings of fact and a finding shall be made that there either is or is not reasonable cause for believing that a violation has been or is being committed. If a finding is made that there is no reasonable cause, said finding shall be served on the complainant and respondent. Within thirty days after service of such negative finding, the complainant shall have the right to file a written request with the administrator asking for reconsideration of the finding. The administrator shall respond to such request in writing within a reasonable time by granting or denying the request and specifying the reasons for either granting or denying the request.

B. If the finding is made initially or on request for reconsideration that reasonable cause exists to believe that a violation by a contractor or subcontractor has occurred, the administrator shall endeavor to remedy the violation by conference, conciliation and persuasion, which may, by agreement of the parties, include monetary compensation, the creation of additional opportunities for minorities, women or persons with disabilities to be employed on other contracts, or such other requirements as may lawfully be agreed upon by the parties and the administrator. Any settlement agreement shall be reduced to writing and signed by both parties. An order shall then be entered by the administrator setting forth the terms of the agreement. Copies of such order shall be delivered to all affected parties and the original thereof recorded with the division of records and elections.

If no agreement can be reached, a finding to that effect shall be made by the administrator and incorporated in a preliminary order, with a copy thereof furnished to the complainant and respondent. The preliminary order shall also include:

1. A finding that a violation has occurred;
2. The basis for such finding.

C. In the case of failure to reach an agreement for the elimination of such a violation, and upon the entry of a preliminary order, the complaint and any and all findings made and remedies ordered shall be certified by the administrator to the office of the county hearing examiner for hearing.

A hearing shall thereafter be conducted by the office of the hearing examiner for the purpose of affirming, denying, or modifying the preliminary order. The hearing shall be conducted on the record and the hearing examiner shall have such rule making and other powers necessary for conduct of the hearing as are specified by K.C.C. 24.170. Such hearings shall be conducted within a reasonable time after receipt of the certification. Written notice of the time and place of the hearing shall be given at least ten days prior to the date of the hearing to each affected party and to the administrator.

Each party shall have the following rights, among others:

1. To call and examine witnesses on any matter relevant to the issues of the complaint;
2. To introduce documentary and physical evidence;
3. To cross-examine opposing witnesses on any matter relevant to the issues of the complaint;
4. To impeach any witness regardless of which party first called such witness to testify;
5. To rebut evidence presented against a party;
6. To self-representation or to be represented by anyone of a party's choice who is lawfully permitted to do so.

D. Following review of the evidence submitted, the hearing examiner presiding at the hearing shall enter written findings and conclusions, shall render a written decision and shall order one or more of the following:

1. Dismissal of the complaint when a violation is found not to have occurred;
2. Suspension or cancellation of the contract in part or in whole;
3. Disqualification and/or debarment of the violator from participation in county contracts for a period of up to five years;
4. Exclusion of the violator from future contracts or vending until demonstration of compliance;
5. Enforcement of any provision of the contract providing remedies, such as penalties or liquidated damages for violation of contractual provisions or enforcement of any other remedy available under the laws of the county. Upon a finding by the hearing examiner that a contractor has in fact failed to abide by the provisions of this chapter, liquidated damages not to exceed the entire contract amount shall be imposed unless the hearing examiner finds that the imposition of such damages would be clearly inequitable, in which case the hearing examiner may grant such other relief as may be lawful and appropriate.

E. In the case where the alleged violator is the contract awarding authority, and a finding is made that there is reasonable cause to believe that the contract awarding authority has committed a violation, the finding shall be forwarded to the executive, who shall review the evidence and may order one or more of the following:

1. Dismissal of the complaint when a violation is found not to have occurred;
2. Corrective personnel action;
3. Disqualification and suspension of authority of all members, any board, commission, or other body constituting the violating contract awarding authority;
4. Enforcement of any other remedy available under the laws of the county.

F. In addition to any other remedy available under the laws of the county and the State of Washington, any person, firm, corporation, business, union, or organization which prevents or interferes with or retaliates against a contractor and/or subcontractor's efforts to comply with the requirements of this chapter or which submits false or misleading information to any county department or employee concerning compliance with this chapter shall be subject to a civil penalty of up to five thousand dollars for each occurrence, the county having previously complied with the notice and hearing provisions of this chapter. Each submission of false or misleading information shall constitute a separate occurrence. (Ord. 11992 § 13, 1995).

12.16.125 Real Property Lessors and Lessees. No lessor or lessee doing business with the county shall discriminate on the basis of race, color, sex, religion, nationality, creed, marital status, sexual orientation, age, or presence of any sensory, mental or physical disability in the employment or application for employment or in the administration or delivery of services or any other benefits under this chapter. The lessor or lessee shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations which prohibit such discrimination. These laws include, but are not limited to, Chapter 49.60 of the Revised Code of Washington, and Titles VI and VII of the Civil Rights Act of 1964. This language shall be included in all lease agreements. (Ord. 10849 § 19, 1993).

12.16.140 Administrative rules of practice and procedure. Administrative practices and procedures required to fully implement the provisions of this chapter shall be promulgated and filed with the clerk of the council in the manner prescribed in Chapter 2.98 of this code. (Ord. 4528 § 14, 1979).

12.16.150 Apprenticeship - Findings.

A. A well-trained diverse work force is critical to the economic and social vitality of the Puget Sound region. Recent studies on the region's workforce highlight population trends that, without a concerted effort to offset them, will lead to an inadequate supply of skilled workers in the construction industry. Furthermore, these demographic trends indicate that a large percentage of new entrants to the labor force will be comprised of minorities, women, persons with disabilities and economically disadvantaged youth who historically have faced barriers to employment resulting in an underrepresentation in the skilled trades.

B. The King County council finds as a fact that minorities, women, persons with disabilities and economically disadvantaged youth are underrepresented in the construction trades and industry. Moreover, the council also finds as a fact that a significant reason for the underrepresentation of these populations in the construction trades is the lack of opportunity and training for those persons to serve as apprentices in state-approved apprenticeship programs.

C. The county's comprehensive plan provides that the county shall address historic disparity in income and employment opportunities for minorities, women and economically disadvantaged individuals and shall recognize the importance of, and place special emphasis on, job training and retaining/expanding family-wage jobs.

D. Other local agencies in King County have successfully implemented apprenticeship programs as part of their projects and contracts and have demonstrated that apprenticeship programs are effective in providing training and experience to individuals seeking to enter or advance in the workforce.

E. King County is committed to fostering partnerships with labor, business, and the local community to create a skilled workforce that reflects the diversity of the county's population.

F. The county's public works contracts will provide training and job opportunities as a means to increase the skills of the county's work force, and the council is committed to utilizing apprenticeship training so that the resulting journey workers can enter the region's pool of skilled labor, fully qualified for jobs. Therefore, the council finds that the creation of an apprenticeship program that will target the recruitment of minorities, women, persons with disabilities and economically disadvantaged youth will serve to benefit the public by assisting these disadvantaged populations to gain entry to the construction trades. (Ord. 12787 § 1, 1997).

12.16.155 Establishment of apprenticeship program. There is hereby established a county apprenticeship training program. An essential component of the program shall be the inclusion of minorities, women, persons with disabilities and economically disadvantaged youth as apprentices.

The minority and women's business enterprises and contract compliance division shall be responsible for implementing the apprenticeship program under this section. The administrator of the minority and women's business enterprises and contract compliance division, as defined in K.C.C. 4.18, shall:

A. Have responsibility for administering, monitoring and enforcing the goals and requirements of this chapter;

B. Have responsibility for coordinating all elements among all county agencies whose involvement is necessary to implement a successful program;

C. Have responsibility for coordinating the county's efforts with those of other jurisdictions with similar programs to insure a coherent, cohesive and focused response to the future labor needs of the local area construction industry;

D. Have responsibility for monitoring, tracking and documenting access to apprentices and state-approved apprentice training programs by open shop contractors who choose to bid on county construction contracts and accept the county's apprenticeship training program requirements; and

E. Have responsibility for developing and implementing in conjunction with other local jurisdictions which have similar programs a model for predicting the future labor needs, within a reasonable timeframe, of the local construction industry. The model shall have the ability to predict future labor needs by construction trade in order to allow for appropriate recruitment of trade-specific apprentices. In addition, the administrator shall include in the annual report required in K.C.C. 12.16.175 the extent of apprentice shortages, if any, by construction trade for the given reporting year, and shall gather this information from the apprentice training programs being utilized by the county's construction contractors. The county shall require contractors who claim apprentices are unavailable to document their efforts to obtain apprentices. (Ord. 12787 § 2, 1997).

12.16.156 Apprentice utilization goals. The following goals shall be the apprentice utilization goals for public works projects as a whole which are subject to the apprenticeship program requirements until such time as new goals are approved by the council:

<u>Target Populations</u>	<u>Utilization Goals</u>
Minorities	21%
Women	25%
Persons with disabilities	2%
Economically disadvantaged youth	7%

(Ord. 13313 § 2, 1998).

12.16.157 Goals application.

A. The goals established in this chapter shall be used as countywide target goals for apprenticeship utilization on applicable county public works projects as a whole, pursuant to the criteria established in K.C.C. 12.16.165, for the participation of minorities, women, persons with disabilities and economically disadvantaged youth. Such goals shall apply as a whole until such time as all available apprentices are taken or until the established target goals are reached.

B. Application of the goals established in this chapter to particular projects shall be based on the available labor hours on each project and the level of apprentice availability and underutilization of the target groups in each participating construction craft as well as the other criteria listed in K.C.C. 12.16.160C. (Ord. 13313 § 4, 1998).

12.16.160 Implementation and apprentice utilization. The administrator of the minority and women's business enterprises and contract compliance division, as defined in K.C.C. 4.18, shall:

A. Develop specific criteria for assessing the feasibility of implementing the apprenticeship program on each public works project. In addition, the administrator is authorized to develop and adopt rules consistent with the requirements and policy directives of K.C.C. 12.16.150 through 12.16.180 and pursuant to K.C.C. 2.98. Such rules shall include criteria for determining on a project-by-project basis the appropriateness of requiring the use of apprentices in a certain percentage.

B. Establish the percent of labor hours required on each public works project selected for the apprenticeship program. The labor hour percentage goal on the contract for apprentices shall be at least 15% and no more than 20% unless reduced or waived by the administrator. When setting such a goal, the administrator shall consider, in addition to other factors, duration of the project, the scope of work, type of work, and the types of crafts and trades to be utilized on the project. During the term of the contract, the administrator may reduce or waive the apprentice labor hour percentage goal upon determination that:

1. The contractor has demonstrated that it has utilized its "best efforts" to meet the established percentage requirement but remains unable to fulfill the goal;

2. In order to meet the requirement, the contractor will be forced to displace members of their workforce; or

3. The reasonable and necessary requirements of the contract render apprentice utilization infeasible at the required levels.

C. One purpose of the apprenticeship program is to enable minorities, women, persons with disabilities and economically disadvantaged youth to participate in apprenticeship opportunities. Thus, whenever feasible, the administrator shall ensure that a significant number of the apprentice labor hours requirement set for the project shall include minorities, women, persons with disabilities and economically disadvantaged youth. In determining such inclusion, the administrator should consider:

1. The percentage of the working age minority, women, persons with disabilities and economically disadvantaged youth population in the county's labor market area;

2. The percentage of the minority, women, persons with disabilities and economically disadvantaged youth labor force in the county's labor market area;

3. The percentage of the minority, women, persons with disabilities and economically disadvantaged youth participation as apprentices in the particular craft as compared with the percentage of minority, women, persons with disabilities and economically disadvantaged youth in the labor force of the county's market area; and

4. The general availability of minority, women, persons with disabilities and economically disadvantaged youth with present or potential capacity for apprenticeship in the county's labor market area.

Participation by minorities, women and persons with disabilities on the contract as apprentices shall be counted towards meeting the county's affirmative action goals established elsewhere in this chapter.

D. Develop the necessary bid document and contract specification language to implement this apprenticeship requirement.

E. Implement a system for monitoring the actual use of apprentices on selected public works projects. Such monitoring shall include, at a minimum, identifying individual apprentices by name and Washington State apprenticeship registration number, reviewing documents provided by the contractor showing total apprentice labor hours, determining the apprentice hours worked by minorities, women, persons with disabilities and economically disadvantaged youth, and assessing whether the contractor has complied with the apprenticeship requirement.

The administrator shall formulate and forward to the council for its review and approval target percentage apprenticeship goals for minority, women, persons with disabilities and economically disadvantaged youth no later than 60 days after the passage of Ordinance 12787. The above-cited criteria may be used for establishing ad hoc target apprenticeship participation goals until such time as the council passes percentage goals.

Unless otherwise determined by the administrator, in accordance with the standards established in K.C.C. 12.16.150 through 12.16.180, failure by a contractor to comply with the established contract apprenticeship requirements shall be deemed a breach of contract for which the county shall be entitled to all remedies allowed by law and under the contract. Failure to comply with the apprenticeship requirements may be considered evidence bearing on a contractor's qualification for award of future contracts. (Ord. 12787 § 4, 1997).

12.16.165 Apprenticeship - Requirement. The county shall require apprentice utilization on selected county public works projects that will serve to maximize the growth and development of apprentice opportunities. The administrator of the apprenticeship program, as defined in this chapter, in cooperation with the appropriate contract awarding division or department, shall select which public works projects shall include an apprenticeship program. Such selection should be guided by the following:

A. The size of the project and the anticipated hours for apprentices in required trades in order to make the experience beneficial;

B. The kinds of skills required on the project so that current apprentices or waiting applicants have opportunities to pursue the training they need; and

C. The ratio of labor to material with a preference given to projects that are labor intensive.

If the administrator and the contract awarding authority cannot agree on whether a specific public works project shall include an apprenticeship program, the administrator's department director shall make the decision.

The administrator is authorized to require of contractors, through bidding and contract documents, that a percentage of total labor hours on the selected projects be performed by apprentices enrolled in training programs approved or recognized by the Washington State Apprenticeship and Training Council. Construction contracts of one million dollars or less meeting the above criteria may be exempted from the required participation in the apprenticeship training program at the discretion of the administrator, provided that such exemptions shall be thoroughly documented and reported to the council in the annual report required by K.C.C. 12.16.175.

"Labor hours" shall refer to the total number of hours worked by workers receiving an hourly wage who are directly employed on the site of the public works project. "Labor hours" shall also include hours worked by workers employed by subcontractors on the project. (Ord. 12787 § 3, 1997).

12.16.170 Source of apprentices.

A. The administrator shall work with joint apprenticeship training committees approved by the state of Washington to identify qualified apprentices whom contractors could utilize to meet the apprenticeship requirement established for a public works project. It shall be the policy of King County government that minorities, women, persons with disabilities and economically disadvantaged youth who are recipients of its services and who meet the criteria established in K.C.C. 12.16.150 through 12.16.180 shall be actively recruited for participation in apprenticeship training. The administrator shall work with other county agencies providing employment training services to the apprenticeship training target populations cited in K.C.C. 12.16.150 through 12.16.180, which shall include, but not be limited to those programs in the King County department of community and human services and other employment training programs as may be housed in other county agencies. In addition, the administrator shall insure that private agencies providing employment training services to county residents outside of the city of Seattle, such as, but not limited to, ANEW, shall be used as a source of apprenticeship training program recruitment.

The administrator shall cooperate with agencies that minorities, women, persons with disabilities and economically disadvantaged youth so that such populations will have access to pre-apprenticeship programs as this may exist as a step towards preparing members of the target populations cited in K.C.C. 12.16.150 through 12.16.180 to successfully participate in apprenticeship training programs. In addition, the administrator shall disseminate information on apprenticeship training opportunities to all school districts within King County outside of the city of Seattle, which serves to actively recruit the targeted populations into the county's apprentice training program.

The administrator may propose the creation of any pre-apprenticeship training programs which may be needed to meet the intent of K.C.C. 12.16.150 through 12.16.180.

B. By no later than December 31, 1999, the county shall review the use by King County of joint apprenticeship training committees approved by the state of Washington. Such review shall include, but not be limited to, an analysis of the county's actual experience in attaining its apprenticeship goals and the results to date of other local jurisdictions' experience with similar programs or studies of such programs. The results of the review may be used by the county council to consider initiating possible modifications to K.C.C. 12.16.150 through 12.16.180. (Ord. 12787 § 5, 1997).

12.16.175 Apprenticeship - Annual report required. The administrator shall submit an annual report to the executive detailing performance of the program by April 15 of each year. This report shall be forwarded to the council no later than April 30. The report shall include, but not be limited to the following:

A. The number and kinds of public works projects and contracts on which apprenticeship requirements were established;

B. The percentage of labor hours actually worked by apprentices on each such project and the total number of labor hours on each project;

C. The number of apprentices by contractor broken down by trade and craft category, the wages paid by category of work or trade, the number and percentage of minorities, women, persons with disabilities and disadvantaged youth utilized as apprentices and the degree of compliance with the percentage goals to be established pursuant to K.C.C. 12.16.150 through 12.16.180;

D. A description of problems encountered in the implementation of the requirements of K.C.C. 12.16.150 through 12.16.180, which shall include, but not be limited to, access by open shop contractors to state-approved training program apprentices and the resolution of any problems arising therefrom;

E. A description of barriers encountered by participating apprentices and steps taken to resolve those problems and to insure their continued participation in the program;

F. The number of new apprentices indentured during the reporting year as a result of the county's apprenticeship training requirements for its construction contracts; and

G. The percentage of apprentices in training who have graduated to journey level during the reporting year. (Ord. 12787 § 6, 1997).

12.16.180 Apprenticeship - Federal and state requirements. The administrator may issue rules and procedures and take steps necessary to implement and comply with applicable federal and state laws and regulations. (Ord. 12787 § 7, 1997).

12.16.200 Severability. The provisions of this chapter shall be effective in all cases unless otherwise provided for by state or federal law. The provisions of this chapter are separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this chapter or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this chapter, or the validity of its application to other persons or circumstances. (Ord. 10849 § 18, 1993; Ord. 7788 § 12, 1986; Ord. 4528 § 15, 1979).

(Ord. 15399 § 4, 2006).

12.17.005 Effect of chapter on right to actions or pursuit of remedies. Nothing in this chapter shall be deemed to deny any persons the right to institute any action or to pursue any other available civil or criminal remedy for the violation of those persons' civil rights. (Ord. 15399 § 5, 2006).

12.17.006 Effect of chapter on liability. (Ord. 15399 § 6, 2006).

12.17.007 Effect of chapter on statutes of limitation. Nothing in this chapter shall be construed to toll the statute of limitations for any claims under federal or state statute. (Ord. 15399 § 7, 2006).

12.17.008 Effect of chapter on actions by contractor based solely upon job performance. Nothing in this chapter shall be construed to prohibit or apply to actions taken in good faith against any person by a contractor based solely upon their performance, qualifications or ability to perform in accordance with the terms of a contract or for other nondiscriminatory reasons. (Ord. 15399 § 8, 2006).

D. Contracting agency or trade association to discriminate against a person with respect to a referral of a contract opportunity or assignment of a particular contract;

E. Contractor, business enterprise, contracting agency or trade association to retaliate against a person because that person has opposed an act of discrimination or because that person has made a charge, testified or assisted in any manner in an investigation, proceeding or hearing initiated under this chapter. (Ord. 13981 § 3, 2000).

12.17.030 Complaint – filing – investigation – order – amendment – notice.

A. An individual complaint alleging an unfair contracting practice in connection with a commercially significant contract may be filed with the office of civil rights by or on behalf of any person who claims to be aggrieved by that unfair contracting practice.

B. A complaint alleging that a group is being subjected to an unfair contracting practice in connection with a commercially significant contract may be filed by:

1. Any member of the group;
2. The office of civil rights;
3. A state or federal agency concerned with discrimination in contracting whenever the agency has reason to believe that an unfair contracting practice has been or is being committed; or
4. A trade association that has reason to believe that an unfair contracting practice has been or is being committed against any of its members.

C. A complaint alleging an unfair contracting practice shall be in writing on a form or in a format determined by the office of civil rights, shall be signed by the charging party, shall describe with particularity the unfair contracting practice complained of and shall include a statement of the dates, places and circumstances and the persons responsible for the acts and practices. The complaint must be filed within one hundred eighty days of the time of the alleged unfair contracting practice or within one hundred eighty days of when the charging party, through exercise of due diligence, should have had notice or been aware of the occurrence. However, the office of civil rights shall not reject a complaint as insufficient because of failure to include all required information, if the office of civil rights determines that the complaint substantially meets the informational requirements necessary for processing.

D. If a complaint has been filed in accordance with this chapter, the office of civil rights shall initiate an investigation under this chapter. If the office of civil rights determines that a violation of this chapter or a rule or regulation adopted under this chapter has occurred, the office shall issue an order in accordance with this chapter. With respect to violations of this chapter, the notice, service and hearings provisions in this chapter control over K.C.C. Title 23.

E. The charging party or the office of civil rights may amend a complaint: to cure technical defects or omissions; to clarify and amplify allegations made in the complaint; or to add allegations related to or arising out of the subject matter set forth, or attempted to be set forth, in the original complaint. For jurisdictional purposes, the amendments shall relate back to the date the original complaint was first filed. Either the charging party or the office of civil rights, or both, may amend a complaint for these reasons as a matter of right before service of notice of hearing on the matter, as provided under K.C.C. 12.17.070, and thereafter may amend a complaint only with permission of the hearing examiner, which permission shall be granted if justice will be served by the permission. All parties must be allowed time to prepare their cases with respect to additional or expanded allegations that the parties did not and could not have reasonably foreseen would be an issue at the hearing.

F. The charging party may also amend a complaint to include allegations of additional unrelated unfair contracting practices that arose after filing of the original complaint. The amendment must be filed within one hundred eighty days after the occurrence of the additional alleged unfair contracting practices and before the issuance of findings of fact and a determination with respect to the original complaint by the office of civil rights. The amendments may be made at any time during the investigation of the original complaint if the office of civil rights will have adequate time to investigate the additional allegations and the parties will have adequate time to present the office of civil rights with evidence concerning the allegations before the issuance of findings of fact and a determination.

G. Upon the receipt of a complaint, the office of civil rights shall serve notice upon the charging party acknowledging the filing. (Ord. 15399 § 10, 2006; Ord. 13981 § 4, 2000).

12.17.040 Complaint – investigation – notice – prefinding settlement agreement – discovery – subpoenas – enforcement – findings – reconsideration.

A. Upon receipt of a complaint meeting the requirements of K.C.C. 12.17.030, the office of civil rights shall, within twenty days, cause to be served or mailed to the respondent by certified mail, return receipt requested, a copy of the complaint along with a notice advising of procedural rights and obligations of respondents under this ordinance, and shall promptly make an investigation of the complaint. Each respondent may file an answer to the complaint, not later than twenty days after receipt of notice from the office of civil rights. If the respondent is unable to file a response within twenty days, the respondent may request an extension of time from the office of civil rights. The extension may be granted if good cause is shown.

B. The investigation shall be commenced promptly. It shall be directed to ascertain the facts concerning the discriminatory practice alleged in the complaint and shall be conducted in an objective and impartial manner.

C. During the investigation, the office of civil rights shall consider any statement of position or evidence with respect to the allegations of the complaint which the charging party or the respondent wishes to submit. A person who is not named as a respondent in a complaint, but who is identified as a respondent in the course of the investigation, may be joined as an additional or substitute respondent upon written notice to the person from the office of civil rights. The notice, in addition to meeting the requirements of subsection A. of this section, shall explain the basis for the belief of the office of civil rights that the person to whom the notice is addressed is properly joined as a respondent.

D. During the period beginning with the filing of the complaint and ending with the issuance of the findings of fact, the office of civil rights shall, to the extent feasible, engage in settlement discussions with respect to the complaint. Nothing said or done in the course of the settlement discussions may be used as evidence in a subsequent proceeding under this ordinance without the written consent of the persons concerned. A prefinding settlement agreement arising out of the settlement discussions shall be an agreement between the respondent and the charging party, and is subject to approval by the office of civil rights. Failure to comply with the prefinding settlement agreement may be enforced under K.C.C. 12.17.070.

E. The office of civil rights shall seek the voluntary cooperation of all persons: to obtain access to premises, records, documents, individuals and other possible sources of information; to examine, record and copy necessary materials; and to take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation. The office of civil rights may conduct discovery in aid of the investigation by the following methods or others: deposition upon oral examination or written questions; written interrogatories; requests for the production of documents or evidence; inspection and physical and mental examinations; and requests for admissions. The office of civil rights may sign and issue subpoenas requiring the attendance and testimony of witnesses, the production of evidence including, but not limited to, books, records, correspondence, e-mail or documents in the possession or under the control of the person subpoenaed, access to evidence for the purpose of examination and copying as are necessary for the investigation. The office of civil rights shall consult with the prosecuting attorney before issuing any subpoena under this section.

F. If an individual fails to obey a subpoena, or obeys a subpoena but refuses to testify when requested concerning any matter under investigation, the office of civil rights may invoke the aid of the King County prosecuting attorney who may petition the King County superior court for an order or other appropriate action necessary to secure enforcement of the subpoena. The petition shall:

1. Be accompanied by a copy of the subpoena and proof of service;
2. Set forth in what specific manner the subpoena has not been complied with; and
3. Ask an order of the court to compel the witness to appear and testify or cooperate in the investigation of the unfair contracting practice.

G. If the office of civil rights concludes after the filing of a complaint that prompt judicial action is necessary to carry out the purposes of this chapter, the office of civil rights may invoke the aid of the prosecuting attorney who may file a civil action for appropriate temporary, injunctive or preliminary relief pending final disposition of the complaint.

H. The results of the investigation shall be reduced to written findings of fact and a finding shall be made that there either is or is not reasonable cause for believing that an unfair contracting practice has been or is being committed.

I. If a finding is made that there is no reasonable cause, the finding shall be served on the charging party and respondent. Within thirty days after service of the negative finding, the charging party may file a written request with the office of civil rights asking for reconsideration of the finding. The office of civil rights shall furnish the charging party with information regarding how to request reconsideration. The office of civil rights shall respond in writing within a reasonable time by granting or denying the request. (Ord. 15399 § 11, 2006: Ord. 15399 § 11, 2006: Ord. 13981 § 5, 2000).

12.17.050 Settlement – order without settlement – compliance – penalties.

A.1. If the finding is made initially or on request for reconsideration that reasonable cause exists to believe that an unfair contracting practice occurred, the office of civil rights shall endeavor to eliminate the unfair practice by conference, conciliation and persuasion, which may include as a condition of settlement:

- a. elimination of the unfair contracting practice;
- b. payment of actual damages including payment of lost profits not in excess of the amount of monetary damage actually incurred;
- c. payment of damages caused by emotional distress, humiliation and embarrassment;
- d. payment of attorneys' fees and costs; and
- e. such other requirements as may be agreed upon by the parties and the office of civil rights.

2. A settlement agreement shall be reduced to writing and signed by the respondent and the charging party and shall be approved by the office of civil rights. An order shall then be entered by the office of civil rights setting forth the terms of the agreement. Copies of the order shall be delivered to all affected parties and the original of the order filed with the division of records and elections. Failure to comply with the postfinding settlement agreement or order may be enforced under K.C.C. 12.17.070. Each postfinding settlement agreement is a public record.

B.1. If the parties cannot reach agreement, the office of civil rights shall make a finding to that effect, incorporate the findings in the order and furnish a copy of the order to all affected parties. The order shall also include:

- a. a finding that an unfair contracting practice has occurred;
- b. the basis for the finding; and
- c. an order requiring the respondent to cease and desist from the unfair practice and to take appropriate affirmative measures, which may include:
 - (1) payment of actual damages including payment of lost profits not in excess of the amount of monetary damages actually incurred;
 - (2) payment of damages caused by emotional distress, humiliation and embarrassment;
 - (3) payment of attorneys' fees and costs; and
 - (4) such other action as in the judgment of the office of civil rights will effectuate the purposes of this chapter, which may include the requirement for a report on the matter of compliance.

2. If the office of civil rights finds the respondent willfully or knowingly committed any unfair contracting practice, the office of civil rights may further order the respondent to pay a civil penalty of up to one thousand dollars per violation, which penalty shall be paid to the King County treasury for deposit in the county general fund.

C. If there is a failure to reach an agreement for the elimination of any unfair contracting practice where the respondent is an executive department, division or office of the county, the office of civil rights may compel compliance by the executive department, division or office with any settlement agreement agreed to between the complainant and the office of civil rights. (Ord. 15399 § 12, 2006: Ord. 13981 § 6, 2000)

12.17.060 Hearing – order finality – appeal.

A.1. A party aggrieved by an order of the office of civil rights may request in writing within thirty days of the service of the order an appeal hearing before the county office of the hearing examiner. The request for hearing shall be filed with the office of civil rights. The request for hearing must identify clearly and specifically:

- a. the errors that the appellant believes were made in the action or decision that is being appealed, or the procedural irregularities associated with that action or decision;
- b. specific reasons why the county's action should be reversed or modified; and
- c. the desired outcome of the appeal.

2. Unless the hearing examiner authorizes an amendment to the statement of appeal, the identification of errors and the statement of reasons for reversal or modification defines and limits the issues that the examiner may consider.

B. An order issued by the office of civil rights in accordance with procedures in this chapter becomes final thirty days after service of the order unless a written request for hearing is filed with the office of civil rights within the thirty-day period.

C. If the order of the office of civil rights is appealed, the office of the hearing examiner shall conduct a hearing for the purpose of affirming, denying or modifying the order. There shall be a verbatim record kept of the hearing and the hearing examiner shall have such rule-making and other power necessary for the conduct of the hearing as are specified by K.C.C. 20.24.170. The order of the office of civil rights shall not be presumed correct. The hearing examiner's decision shall be based upon a preponderance of the evidence. The hearing shall be conducted within a reasonable time after receipt of the request for appeal. Written notice of the time and place of the hearing shall be given at least ten days before the date of the hearing to each affected party and to the office of civil rights.

D. Each party has the following rights, among others:

1. To call and examine witnesses on any matter relevant to the issues of the complaint;
2. To introduce documentary and physical evidence;
3. To cross-examine opposing witnesses on any matter relevant to the issues of the complaint;
4. To impeach any witness regardless of which party first called the witness to testify;
5. To rebut evidence against the party;
6. To represent himself or herself or to be represented by anyone of the party's choice who is lawfully permitted to do so.

E. Following review of the evidence submitted, the hearing examiner presiding at the hearing shall enter written findings and conclusions and shall affirm or modify the order previously issued if the hearing examiner finds that a violation has occurred. The hearing examiner shall reverse the order if the hearing examiner finds that a violation did not occur. The hearing examiner may grant any relief that the office of civil rights could grant under K.C.C. 12.17.050.B. A copy of the hearing examiner's decision shall be delivered to all affected parties. The order of the hearing examiner is final unless reviewed by a court under K.C.C. 20.24.240.B. (Ord. 15399 § 13, 2006; Ord. 13981 § 7, 2000).

12.17.070 Enforcement by office of civil rights.

A. If the office of civil rights has reasonable cause to believe that a respondent has breached a prefinding or postfinding settlement agreement executed under K.C.C. 12.17.040 or 12.17.050 or violated an order of the office of civil rights issued under K.C.C. 12.17.050 or an order of the hearing examiner issued under K.C.C. 12.17.060, the office of civil rights shall refer the matter to the prosecuting attorney for the filing of a civil action under subsection B. of this section for the enforcement of the agreement.

B. The prosecuting attorney may commence a civil action in King County superior court for appropriate relief with respect to a breach of a prefinding or postfinding settlement agreement or violation of an order of the office of civil rights issued under K.C.C. 12.17.050 or an order of the hearing examiner issued under K.C.C. 12.17.060. The action may be commenced no later than ninety days after the referral of the alleged break underlying the referral under subsection A. of this section. (Ord. 15399 § 14, 2006; Ord. 13981 § 8, 2000).

12.17.080 Enforcement by private persons.

A. An aggrieved person may commence a civil action in King County superior court not later than one year after the occurrence or the termination of an alleged unfair contracting practice, whichever occurs last, to obtain appropriate relief with respect to the unfair contracting practice.

B. The computation of the one-year period does not include time during which an administrative proceeding under this chapter was pending with respect to a complaint or charge under this chapter based upon the discriminatory contracting practices.

C. An aggrieved person may commence a civil action under this section whether or not a complaint has been filed under K.C.C. 12.17.030 and without regard to the status of any such a complaint, except as provided in subsection D of this section, but if a settlement or conciliation agreement has been reached with the consent of an aggrieved person, an action may not be filed under this subsection by the aggrieved person with respect to the alleged unfair contracting practice that forms the basis for the complaint except for the purpose of enforcing the terms of the agreement.

D. An aggrieved person may not commence a civil action under this section with respect to an alleged unfair contracting practice which forms the basis of a complaint if a hearing on the complaint has been convened by the office of the King County hearing examiner.

E. In a civil action under this section, if the court finds that an unfair contracting practice has occurred or is about to occur, the court may grant as relief any relief that the office of civil rights could grant under K.C.C. 12.17.050.B.

F. Relief granted under this section does not affect any contract, sale, encumbrance or lease consummated before the granting of the relief and involving a bona fide purchaser, encumbrances or tenant, without actual notice of the filing of a complaint with the office of civil rights or civil action under this title.

G. Upon timely application, the prosecuting attorney may intervene in the civil action if the prosecuting attorney determines that the case is of general public importance.

H. This section is intended to provide private judicial remedies for violations of this chapter that are expansive as the powers granted by the Constitution and laws of the state of Washington. (Ord. 15399 § 15, 2006; Ord. 13981 § 9, 2000).

12.17.090 Authorization to implement procedures. The office of civil rights may implement such forms, administrative processes and operational procedures as are necessary to implement this chapter. The forms, processes and procedures shall be adopted in compliance with K.C.C. chapter 2.98. The office of civil rights shall further assist other county agencies and departments upon request in effectuating and promoting the purposes of this chapter. (Ord. 15399 § 16, 2006; Ord. 13981 § 10, 2000).

12.17.100 Requirement to comply. King County shall include the requirement to comply with this chapter in all contracts, all agreements with recipients of grants and other funds through or from King County and all agreements with organizations which use King County buildings, facilities or property or use property for which King County is responsible for capital improvements. (Ord. 13981 § 11, 2000).

The King County council hereby finds and declares that practices of employment discrimination against any person on the basis of race, color, age, gender, marital status, sexual orientation, religion, ancestry, national origin, disability or use of a service or assistive animal by an individual with a disability constitute matters of local concern and are contrary to the public welfare, health, peace and safety of the residents of King County. (Ord. 15399 § 18, 2006: Ord. 7430 § 1, 1985).

This chapter shall not be construed to endorse any specific belief, practice, behavior, or orientation. Nothing in this chapter relating to gender-based discrimination affects the ability of an employer to require an employee to adhere to reasonable workplace appearance, grooming and dress standards not precluded by other provisions of state or federal law, though an employer shall allow an employee to appear or dress consistently with the employee's gender identity. (Ord. 15399 § 20, 2006).

12.18.015 Effect of chapter on right to actions or pursuit of remedies. Nothing in this chapter shall be deemed to deny any persons the right to institute any action or to pursue any other available civil or criminal remedy for the violation of the person's civil rights. (Ord. 15399 § 21, 2006).

12.18.016 Effect of chapter on liability. Nothing in this chapter is intended to be nor shall be construed to create or form the basis for any liability on the part of King County, or its officers or agents, for any injury or damage resulting from or by reason of any act or omission in connection with the implementation or enforcement of this chapter on the part of King County by its officers, employees or agents. (Ord. 15399 § 22, 2006).

12.18.017 Effect of chapter on statutes of limitation. Nothing in this chapter shall be construed to toll the statute of limitations for any claims under federal or state statute. (Ord. 15399 § 23, 2006).

12.18.018 Effect of chapter on actions by employer based solely upon job performance. Nothing in this chapter may be construed to prohibit or apply to actions directed against an employee taken in good faith by an employer based solely upon the job performance of the employee. 12.18.040 Filing of a complaint.

A. A complaint alleging an unfair employment practice may be filed by:

1. Any aggrieved person;

B. A complaint alleging an unfair employment practice shall be in writing and signed by the charging party, and shall describe with particularity the unfair employment practice complained of, the location of the practice and the person alleged to have committed the unfair employment practice. The complaint must be filed with the office of civil rights within one hundred eighty days of the time of the alleged unfair employment practice or within one hundred eighty days of when the charging party, through exercise of due diligence, should have had notice or been aware of the occurrence. However, the office of civil rights shall not reject a complaint as insufficient because of failure to include all required information, if the office of civil rights determines that the complaint substantially meets the informational requirements necessary for processing.

C. Upon the receipt of a complaint, the office of civil rights shall serve upon the charging party notice acknowledging the filing.

D. The charging party or the office of civil rights may amend a complaint: to cure technical defects or omissions; to clarify and amplify allegations made in the complaint; or to add allegations related to or arising out of the subject matter set forth, or attempted to be set forth, in the original complaint. For jurisdictional purposes, the amendments relate back to the date the original complaint was first filed. Either the charging party or the office of civil rights, or both, may amend a complaint for these reasons as a matter of right before service of notice of hearing on the matter, as provided under K.C.C. 12.18.070, and thereafter may amend a complaint only with permission of the hearing examiner, which permission shall be granted if justice will be served by the permission. All parties must be allowed time to prepare their cases with respect to additional or expanded allegations that the parties did not and could not have reasonably foreseen would be an issue at the hearing.

E. The charging party may also amend a complaint to include allegations of additional unrelated unfair employment practices that arose after filing of the original complaint. The charging party must file any amendments adding the allegations within one hundred eighty days of the time of the additional unfair employment practice or within one hundred eighty days of when the charging party, through exercise of due diligence, should have had notice or been aware of the additional discriminatory act, and before the issuance of findings of fact and a determination with respect to the original complaint by the office of civil rights. The amendments may be made at any time during the investigation of the original complaint if the office of civil rights will have adequate time to investigate the additional allegations and the parties will have adequate time to present the office of civil rights with evidence concerning the allegations before the issuance of findings of fact and a determination. (Ord. 15399 § 27, 2006; Ord. 7430 § 4, 1985).

A. Upon receipt of a complaint meeting the requirements of K.C.C. 12.18.040.C, the office of civil rights shall cause to be served or mailed, by certified mail, return receipt requested, a copy of the complaint to the respondent within twenty days after the filing of the complaint and shall promptly make an investigation of the complaint. Each respondent may file an answer to the complaint not later than twenty days after receipt of notice from the office of civil rights. If a respondent is unable to file a response within twenty days, the respondent may request an extension of time from the office of civil rights. The office of civil rights may grant the extension if good cause is shown.

B. The office of civil rights shall direct the investigation to ascertain the facts concerning the unfair employment practice alleged in the complaint and shall conduct the investigation in an objective and impartial manner.

C. During the investigation, the office of civil rights shall consider any statement of position or evidence with respect to the allegations of the complaint which the charging party or the respondent wishes to submit. A person who is not named as a respondent in a complaint, but who is identified as a respondent in the course of investigation, may be joined as an additional or substitute respondent upon written notice, under subsection A. of this section, to the person from the office of civil rights. The notice, in addition to meeting the requirements of subsection A. of this section, must explain the basis for the office of civil rights' belief that the person to whom the notice is addressed is properly joined as a respondent.

D. During the period beginning with the filing of the complaint and ending with the issuance of the findings of fact, the office of civil rights shall, to the extent feasible, engage in settlement discussions with respect to the complaint. Anything said or done in the course of the settlement discussions may not be made public or used as evidence in a subsequent proceeding under this chapter without the written consent of the persons concerned. A prefinding settlement agreement arising out of the settlement discussions must be an agreement between the respondent and the charging party and is subject to approval by the office of civil rights. Each prefinding settlement agreement is a public record. Failure to comply with the prefinding settlement agreement may be enforced under K.C.C. 12.18.080.

E. The office of civil rights shall seek the voluntary cooperation of all persons: to obtain access to premises, records, documents, individuals and other possible sources of information; to examine, record and copy necessary materials; and to take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation. The office of civil rights may conduct discovery in aid of the investigation by the following methods or others: deposition upon oral examination or written questions; written interrogatories; requests for the production of documents or other evidence, for inspection and other purposes; physical and mental examinations; and requests for admissions. The office of civil rights may sign and issue subpoenas requiring the attendance and testimony of witnesses and the production of or access to evidence including books, records, correspondence, e-mail or documents in the possession or under the control of the person subpoenaed as are necessary for the investigation. The office of civil rights shall consult with the prosecuting attorney before issuing a subpoena under this section.

F. If an individual fails to obey a subpoena, or obeys a subpoena but refuses to testify if requested concerning any matter under investigation, the office of civil rights may invoke the aid of the prosecuting attorney, who may petition to the superior court for an order or other appropriate action necessary to secure enforcement of the subpoena. The petition shall:

1. Be accompanied by a copy of the subpoena and proof of service;
2. Set forth in what specific manner the subpoena has not been complied with; and
3. Ask for an order of the court to compel the witness to appear and testify or cooperate in the investigation of the unfair employment practice.

G. If the office of civil rights concludes at any time after the filing of a complaint that prompt judicial action is necessary to carry out the purposes of this chapter, the office of civil rights may invoke the aid of the prosecuting attorney, who may file a civil action for appropriate temporary, injunctive or preliminary relief pending final disposition of the case.

H. The office of civil rights shall reduce the results of the investigation to written findings of fact and make a finding that there either is or is not reasonable cause for believing that an unfair employment practice has been or is being committed.

I. If a finding is made that there is no reasonable cause, the finding shall be served on the charging party and respondent. Within thirty days after service of such a negative finding, the charging party may file a written request with the office of civil rights asking for reconsideration of the finding. The office of civil rights shall furnish the charging party with information regarding how to request reconsideration. The office of civil rights shall respond in writing within a reasonable time by granting or denying the request. (Ord. 15399 § 28, 2006; Ord. 7430 § 5, 1985).

12.18.060 Conference, conciliation and persuasion - orders.

A.1. If the office of civil rights makes the finding initially or on request for reconsideration that reasonable cause exists to believe that an unfair employment practice occurred, the office of civil rights shall endeavor to eliminate the unfair practice by conference, conciliation and persuasion which may include as a condition of settlement:

- a. elimination of the unfair employment practice;
- b. payment of back pay not in excess of the amount of monetary damage actually incurred;
- c. payment of other actual damages, including damages caused by emotional distress, humiliation and embarrassment;
- d. reinstatement;
- e. payment of attorneys' fees and costs;
- f. participation in training on fair employment laws; and
- g. such other requirements as may lawfully be agreed upon by the parties and the office of civil rights.

2. Any postfinding settlement agreement shall be reduced to writing and signed by all parties, with the approval of the office of civil rights. The office of civil rights shall then enter an order setting forth the agreement and furnish copies of the order to all affected parties. Each postfinding settlement agreement is a public record. Failure to comply with the postfinding agreement or order may be enforced under K.C.C. 12.18.080.

B.1. If the parties cannot reach agreement, the office of civil rights shall make a finding to that effect, incorporate the finding in the order and furnish a copy of the order to all affected parties. The order shall also include:

- a. a finding that an unfair employment practice occurred;
- b. the basis for the finding; and

c. an order requiring the respondent to cease and desist from the unfair practice and to take appropriate affirmative measures, which may include:

- (1) payment of back pay not in excess of the amount of monetary damage actually incurred;
- (2) payment of other actual damages, including damages caused by emotional distress, humiliation and embarrassment;
- (3) reinstatement;
- (4) payment of attorneys' fees and costs;
- (5) participation in training on fair employment laws; and
- (6) such other action as in the judgment of the office of civil rights will effectuate the purposes of this chapter, which may include the requirement for a report on the matter of compliance.

2. If the office of civil rights finds the respondent willfully or knowingly committed any unfair employment practice, the office of civil rights may further order the respondent to pay a civil penalty of up to one thousand dollars per violation, which penalty shall be paid to the King County treasury for deposit in the county general fund.

C. If the parties fail to reach an agreement for the elimination of any unfair employment practice in which the respondent is an executive department, division or office of the county, the King County executive may compel compliance by the executive department, division or office with any settlement agreement agreed to between any charging party and the office of civil rights. (Ord. 15399 § 29, 2006: Ord. 7430 § 6, 1985).

12.18.070 Hearing - appeal.

A.1. Any respondent or charging party, after by an order of the office of civil rights is made in accordance with K.C.C. 12.18.060.B, may request an appeal hearing before the hearing examiner by filing a written request for hearing within thirty days of the service of the order. The request for hearing shall be filed with the office of civil rights. The request for hearing must identify clearly and specifically:

- a. the errors that the appellant believes were made in the action or decision that is being appealed, or the procedural irregularities associated with that action or decision;
- b. specific reasons by the county's action should be reversed or modified; and
- c. the desired outcome of the appeal.

2. Unless the hearing examiner authorizes an amendment to the statement of appeal, the identification of errors and the statement of reasons for reversal or modification defines and limits the issues the examiner may consider.

B. Any order issued by the office of civil rights in accordance with procedures in this chapter becomes final thirty days after service of the order unless a written request for hearing is filed with the office of civil rights within the thirty-day period.

C. If the order of the office of civil rights is appealed, the hearing examiner shall conduct a hearing for the purpose of affirming, denying or modifying the order. There shall be a verbatim record kept of the hearing. The hearing examiner has such rule-making and other powers necessary for the conduct of the hearing as are specified by K.C.C. 20.24.170. The order of the office of civil rights shall not be presumed correct. The hearing examiner's decision shall be based upon a preponderance of the evidence. The hearing shall be conducted within a reasonable time after receipt of the request for appeal. Written notice of the time and place of the hearing shall be given at least ten days before the date of the hearing to each affected party and to the office of civil rights.

D. Each party may, among exercising other rights:

1. Call and examine witnesses on any matter relevant to the issues of the complaint;
2. Introduce documentary and physical evidence;
3. Cross-examine opposing witnesses on any matter relevant to the issues of the complaint;
4. Impeach any witness regardless of which party first called the witness to testify;
5. Rebut evidence against him or her; and
6. Represent himself or herself or be represented by anyone of his or her choice who is lawfully permitted to do so.

E. Following review of the evidence submitted, the hearing examiner presiding at the hearing shall enter written findings and conclusions and shall affirm or modify the order previously issued if the hearing examiner finds that a violation occurred. The hearing examiner shall reverse the order if the hearing examiner finds that a violation did not occur. The hearing examiner may grant as relief any relief that the office of civil rights could grant under K.C.C. 12.18.060.B. A copy of the hearing examiner's decision shall be delivered to all affected parties. The order of the hearing examiner is final unless reviewed by a court under K.C.C. 20.24.240.B. (Ord. 15399 § 30, 2006; Ord. 7430 § 7, 1986).

12.18.080 Enforcement by office of civil rights.

A. If the office of civil rights has reasonable cause to believe that a respondent breached a prefinding or postfinding settlement agreement executed under K.C.C. 12.18.050 or 12.18.060, or violated an order of the office of civil rights issued under K.C.C. 12.18.060 or an order of the hearing examiner issued in accordance with K.C.C. 12.18.070, the office of civil rights shall refer the matter to the prosecuting attorney for the filing of a civil action under subsection B. of this section for the enforcement of the agreement.

B. The prosecuting attorney may commence a civil action in superior court for appropriate relief with respect to a breach of a prefinding or postfinding settlement agreement executed under K.C.C. 12.18.050 or 12.18.060, or a violation of an order of the office of civil rights issued under K.C.C. 12.18.060 or an order of the hearing examiner issued under K.C.C. 12.18.070. This action may be commenced no later than ninety days after the referral of the alleged breach under subsection A. of this section. (Ord. 15399 § 31, 2006; Ord. 7430 § 8, 1985).

12.18.085 Enforcement by private persons.

A. An aggrieved person may commence a civil action in superior court not later than three years after the occurrence or termination of an alleged unfair employment practice or ninety days after a determination of reasonable cause is issued by the office of civil rights, whichever occurs last, to obtain appropriate relief with respect to the unfair employment practice.

B. A civil action may be filed under this section whether or not an administrative complaint has been filed under K.C.C. 12.18.040 and without regard to the status of such a complaint. However, if the office of civil rights obtained a prefinding or postfinding settlement or conciliation agreement with the consent of the aggrieved person, an action may not be filed under this section by the aggrieved person with respect to the alleged unfair employment practice that forms the basis for the complaint except for the purpose of enforcing the agreement. To preclude such a filing, the prefinding or postfinding settlement or conciliation agreement must include language that the aggrieved person knowingly waives any right to file a civil action based on the same alleged unfair employment practice.

C. Subject to subsection D. of this section, after the filing of a civil action involving the same claim or arising from the same facts and circumstances, whether under this chapter or similar law, the office of civil rights may administratively close a complaint of an unfair employment practice.

D. If a court dismisses a private cause of action without reaching the merits and on grounds that would not preclude pursuit of a complaint under this chapter, the charging party may request, within ninety days of the entry of the court's order of dismissal, that the office of civil rights reopen a previously filed case. Upon such a request, the office of civil rights may reopen a case that was administratively closed upon the filing of a civil action. If the office of civil rights closes a case based on a "no reasonable cause" finding, the case shall not be reopened except as provided through reconsideration under K.C.C. 12.18.050.

E. A charging party or aggrieved person may not secure relief from more than one governmental agency, instrumentality or tribunal for the same harm or injury.

F. An aggrieved person may not commence a civil action under this section with respect to an alleged unfair employment practice that forms the basis of a complaint if a hearing on the complaint has been convened under K.C.C. 12.18.070.

G. In a civil action under this section, if the court finds that a unfair practice occurred, the court may grant such relief as is available for violations of the Washington state Law Against Discrimination, chapter 49.60 RCW.

H. Upon timely application, the prosecuting attorney may intervene in the civil action if the prosecuting attorney determines that the case is of general public importance.

I. This section is intended to provide private judicial remedies for violations of this chapter that are as expansive as the powers granted by the Constitution and laws of the state of Washington. (Ord. 15399 § 17, 2006).

12.18.090 Authorization to implement procedures. The office of civil rights may implement such forms, administrative processes and operational procedures as are necessary to comply with this chapter. The forms, processes and procedures shall be adopted in compliance with K.C.C. chapter 2.98. (Ord. 15399 § 32, 2006: Ord. 7430 § 9, 1985).

12.18.095 Requirement to comply. King County shall include the requirement to comply with K.C.C. 12.18, as amended, in all contracts and agreements with recipients of grants and other funds through or from King County and with organizations which use King County buildings, facilities or property or which use property for which King County is responsible for capital improvements. (Ord. 9615 § 2, 1990).

12.18.097 Fair employment code compliance.

A. If a complaint filed under this chapter, office of civil rights shall initiate an investigation under this chapter.

B. If the office of civil rights determines that a violation of this chapter or any rules and regulations adopted under this chapter occurred, the office of civil rights shall issue an order in accordance with this chapter. For the enforcement of this chapter, if a conflict exists between this chapter and K.C.C. Title 23, this chapter controls over K.C.C. Title 23. (Ord. 15399 § 33, 2006: Ord. 13263 § 52, 1998).

12.18.100 Severability. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of this chapter or the application of the provision to other persons or circumstances is not affected. (Ord. 15399 § 34, 2006: Ord. 7430 § 10, 1985).

It is a discriminatory practice and unlawful for any person, whether acting for himself or herself or for another, to coerce, intimidate, threaten or interfere with any other person in the exercise or enjoyment of, on account of the other person having exercised or enjoyed, or on account of the other person having aided or encouraged any person in the exercise or enjoyment of, any right granted or protected by this chapter.

C. It is a discriminatory practice and unlawful for any person, whether acting for himself or herself or for another, to discriminate against in the sale or rental of, or to otherwise make unavailable or deny, a dwelling to any buyer or renter because of a disability of any one or more of:

1. Refusal to permit, at the expense of an individual with a disability, reasonable modifications of existing premises occupied or to be occupied by the person if the modifications might be necessary to afford the person full enjoyment of the premises. However, for a rental, the landlord may, if it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

2. Refusal to make reasonable accommodations in rules, policies, practices or services, if the accommodations might be necessary to afford an individual or individuals with disabilities equal opportunity to use and enjoy a dwelling; or

If the requirements of applicable laws differ, the requirements that require greater accessibility to individuals with disabilities govern.

F. It is discriminatory practice and unlawful for any person, whether acting on his or her own behalf or for another, to retaliate by taking action against another person because the other person:

1. Opposed any practice forbidden by this chapter;
2. Complied or proposed to comply with this chapter or any order issued under this chapter; or
3. Filed a complaint, testified or assisted in any manner in any investigation, proceeding or hearing initiated under this chapter. (Ord. 16149 § 1, 2008: Ord. 15399 § 42, 2006: Ord. 10469 § 3, 1992: Ord. 5280 § 3(A), 1981).

(Ord. 15399 § 43, 2006: Ord. 10469 § 4, 1992: Ord. 5280 § 3 (B), 1981).

(Ord. 15399 § 44, 2006: Ord. 10469 § 5, 1992: Ord. 5280 § 3 (C), 1981).

12.20.070 Filing of a complaint.

A. A complaint alleging an unfair housing practice may be filed by:

1. Any aggrieved person; or
2. Any state, local or federal agency concerned with discrimination in housing, including the office of civil rights has reason to believe that an unfair housing practice has been or is being committed.

B. A complaint alleging an unfair housing practice shall be in writing and signed by the charging party. The complaint must be filed by the charging party with the office of civil rights within three hundred sixty-five days after the occurrence or termination of the alleged unfair housing practice. The complaint must describe with particularity the practice complained of and the location of the practice and must identify the person being charged with committing an unfair housing practice. However, the office of civil rights shall not reject a complaint as insufficient because of failure to include all required information, if the office of civil rights determines that the complaint substantially meets the informational requirements necessary for processing.

C. Upon the receipt of a complaint alleging an unfair housing practice, the office of civil rights shall serve notice upon the charging party acknowledging the filing and advising the charging party of the time limits provided under this chapter and of the choice of forums provided by this chapter.

D. The charging party or the office of civil rights may amend a complaint: to cure technical defects or omissions; to clarify and amplify allegations made in the complaint; or to add allegations related to or arising out of the subject matter set forth, or attempted to be set for, in the original complaint. For jurisdictional purposes, the amendments relate back to the date the original complaint was first filed. Either the charging party or the office of civil rights, or both, may amend a complaint for these reasons as a matter of right before service of notice of hearing on the matter, as provided under K.C.C. 12.20.100, and thereafter may amend a complaint only with permission of the hearing examiner, which permission shall be granted if justice will be served by the permission, and all parties shall be allowed time to prepare their case with respect to additional or expanded allegations they did not and could not have reasonably foreseen would be an issue at the hearing.

E. The charging party may also amend a complaint to include allegations of additional unrelated discriminatory practices that arose after the filing of the original complaint. The charging party must file any amendments adding the allegations within three hundred sixty-five days after the occurrence or termination of the additional discriminatory practices and before the issuance of findings of fact and a determination with respect to the original complaint by the office of civil rights. The amendments may be made at any time during the investigation of the original complaint if the office of civil rights will have adequate time to investigate the additional allegations and the parties will have adequate time to present the office of civil rights with evidence concerning the allegations before the issuance of findings of fact and a determination. (Ord. 10469 § 6, 1992: Ord. 7816 § 2, 1986: Ord. 5732 § 2, 1981: Ord. 5280 § 4, 1981).

12.20.080 Investigation of complaint.

A. After the filing of a complaint, the office of civil rights shall cause to be served on or mailed to the respondent, by certified mail, return receipt requested, a copy of the complaint, along with a notice advising of procedural rights and obligations of respondents under this chapter promptly and in no case longer than twenty days after the filing the complaint. Each respondent may file an answer to the complaint, not later than ten days after receipt of notice from the office of civil rights. If the respondent is unable to file a response within ten days, he or she may request an extension of time from the office of civil rights, not to exceed five days. The office of civil rights may grant the extension if good cause is shown.

B. The investigation shall be commenced promptly and in no event later than thirty days after receipt of the complaint. It shall be directed to ascertain the facts concerning the unfair practice alleged in the complaint and shall be conducted in an objective and impartial manner. The investigation shall be completed within one hundred days after the filing of the complaint, unless it is impracticable to do so. If the office of civil rights is unable to complete the investigation within the one hundred days, the office of civil rights shall notify the charging party and respondent, in writing, of the reasons for not doing so. The office of civil rights shall make final administrative disposition of a complaint within one year of the date of receipt of the complaint, unless it is impracticable to do so. If the office of civil rights is unable to do so, the office of civil rights shall notify the charging party and respondent, in writing, of the reasons for not doing so.

C. During the investigation, the office of civil rights shall consider any statement of position or evidence with respect to the allegations of the complaint that the charging party or the respondent wishes to submit.

D. A person who is not named as a respondent in a complaint, but who is identified as a respondent in the course of investigation, may be joined as an additional or substitute respondent upon written notice, under subsection A. of this section, to the person from the office of civil rights. The notice, in addition to meeting the requirements of subsection A. of this section, shall explain the basis for the belief of the office of civil rights that the person to whom the notice is addressed is properly joined as a respondent.

E. During the period beginning with the filing of the complaint and ending with the issuance of the findings of fact, the office of civil rights shall, to the extent feasible, engage in settlement discussions with respect to the complaint. Nothing said or done in the course of the settlement discussions may be made public or used as evidence in a subsequent proceeding under this chapter without the written consent of the persons concerned. A prefinding settlement agreement arising out of the settlement discussions shall be an agreement between the respondent and the charging party, and is subject to approval by the office of civil rights. Each prefinding settlement agreement is a public record. Failure to comply with the prefinding settlement agreement may be enforced under K.C.C. 12.20.120.

F. The office of civil rights shall seek the voluntary cooperation of all persons to: obtain access to premises, records, documents, individuals and other possible sources of information; examine, record and copy necessary materials; and take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation. The office of civil rights may conduct discovery in aid of the investigation by the following methods or others: deposition upon oral examination or written questions; written interrogatories; requests for the production of documents or evidence, for inspection and other purposes; physical and mental examinations; and requests for admissions. The office of civil rights may sign and issue subpoenas requiring the attendance and testimony of witnesses, the production of evidence including books, records, correspondence, e-mail or documents in the possession or under the control of the person subpoenaed and access to evidence for the purpose of examination and copying as are necessary for the investigation. The office of civil rights shall consult with the prosecuting attorney before issuing any subpoena under this section.

G. If an individual fails to obey a subpoena, or obeys a subpoena but refuses to testify when requested concerning any matter under investigation, the office of civil rights may invoke the aid of the prosecuting attorney, who shall petition to the superior court for an order or other appropriate action necessary to secure enforcement of the subpoena. The petition shall:

1. Be accompanied by a copy of the subpoena and proof of service;
2. Set forth in what specific manner the subpoena has not been complied with; and
3. Ask for an order of the court to compel the witness to appear and testify or cooperate in the

investigation of the unfair housing practice.

H. If the office of civil rights concludes at any time after the filing of a complaint that prompt judicial action is necessary to carry out the purposes of this chapter, the office of civil rights may invoke the aid of the prosecuting attorney, who shall file a civil action for appropriate temporary, injunctive or preliminary relief pending final disposition of the case.

I. The office of civil rights shall reduce the results of the investigation to written findings of fact and make a finding that there either is or is not reasonable cause for believing that an unfair housing practice has been or is being committed.

J. If a finding is made that there is no reasonable cause, the finding shall be served on the charging party and respondent. Within thirty days after service of such a negative finding, the charging party may file a written request with the office of civil rights asking for reconsideration of the finding. The office of civil rights shall furnish the charging party with information regarding how to request reconsideration. The office of civil rights shall respond in writing within a reasonable time by granting or denying the request. (Ord. 15399 § 46, 2006; Ord. 10469 § 7, 1992; Ord. 7816 § 3, 1986; Ord. 5280 § 5, 1981).

12.20.090 Conference, conciliation and persuasion - orders.

A.1. If the office of civil right makes the finding initially or on request for reconsideration that reasonable cause exists to believe that an unfair housing practice occurred or is about to occur, the office of civil rights shall endeavor to eliminate the unfair practice by conference, conciliation and persuasion, which may include as a condition of settlement the:

- a. elimination of the unfair housing practice;
- b. payment of actual damages, including damages caused by emotional distress, humiliation and embarrassment;
- c. reinstatement to tenancy;
- d. payment of attorneys' fees and costs;
- e. payment of a civil penalty to vindicate the public interest up to the limits in 42 U.S.C. Sec. 3612(g)(3) and 24 C.F.R. 180.671(2003), as they exist on April 16, 2006, which penalty shall be paid to King County for deposit in the county general fund;
- f. participation in training on fair housing laws; and
- g. such other requirements as may lawfully be agreed upon by the parties and the office of civil rights.

2. Any postfinding settlement agreement shall be reduced to writing and signed by all parties, with the approval of the office of civil rights. The office of civil rights shall then enter an order setting forth the agreement and furnish copies of the order to all affected parties. Failure to comply with the postfinding agreement or order may be enforced under K.C.C. 12.20.120. Each postfinding settlement agreement is a public record.

B.1. If the parties cannot reach agreement, the office of civil rights shall make a finding to that effect, incorporate the finding in an order, and furnish a copy of the order to all affected parties. The order shall also include:

- a. a finding that an unfair housing practice is about to occur or has occurred;
- b. the basis for the finding; and
- c. an order requiring the respondent to cease and desist from such unfair practice and to take appropriate affirmative action, including:
 - (1) payment of actual damages, including damages caused by emotional distress, humiliation and embarrassment;
 - (2) reinstatement to tenancy;
 - (3) payment of attorneys' fees and costs;
 - (4) participation in training on fair housing laws; and
 - (5) such other action as in the judgment of the office of civil rights will effectuate the purposes of this chapter, which may include the requirement for report on the matter of compliance, injunctive relief and the payment of a civil penalty to vindicate the public interest up to the limits set out in 42 U.S.C. Sec. 3612(g)(3) as it exists on April 16, 2006. (Ord. 15399 § 47, 2006: Ord. 10469 § 8, 1992: Ord. 5280 § 6, 1981).

12.20.095 Notification of governmental agencies. In the case of an order with respect to a discriminatory housing practice that occurred in the course of a business subject to a licensing or regulation by a governmental agency, the office of civil rights shall, not later than thirty days after the date of the issuance of the order or, if the order is appealed pursuant to K.C.C. 12.20.100, thirty days after the order is in substance affirmed upon the review:

- A. Send copies of the findings of fact, conclusions of law and the order, to that governmental agency; and
- B. Recommend to that governmental agency appropriate disciplinary action including, if appropriate, the suspension or revocation of the license of the respondent. (Ord. 15399 § 48, 2006: Ord. 10469 § 11, 1992).

12.20.100 Hearing - appeal.

A.1. Any charging party, respondent or aggrieved person on whose behalf the finding was made, after an order of the office of civil rights is made in accordance with K.C.C. 12.20.090.B, may appeal the order by electing to have the claims on which reasonable cause was found decided in a civil action under K.C.C. 12.20.124 or in a hearing before the hearing examiner. The office of civil rights shall provide the charging party, respondent and aggrieved person on whose behalf the finding was made with information regarding how to make the election. This election must be made not later than thirty days after the receipt by the electing person of service of the order. The person making the election shall give notice of the election stating which forum is elected to the office of civil rights and to all other charging parties and respondents to whom the complaint relates. The notice of election should identify clearly and specifically:

- a. the errors that the appellant believes were made in the action or decision that is being appealed, or the procedural irregularities associated with that action or decision;
- b. specific reasons by the county's action should be reversed or modified; and
- c. the desired outcome of the appeal.

2. Any order issued by the office of civil rights under K.C.C. 12.20.090.B becomes final thirty days after service of the order unless a written notice of election is filed with the office of civil rights within the thirty-day period. If the order becomes final, parties violating the order are subject to the enforcement provisions of K.C.C. 12.20.120.

B. If no election of civil action is made, and an election for hearing is made, the complaint, any and all findings made and either affirmative action measures or civil penalties, or both, required shall be certified by the office of civil rights to the office of the hearing examiner for hearing.

C. A hearing shall be conducted by the office of the hearing examiner for the purpose of affirming, denying or modifying the order. There shall be a verbatim record kept of the hearing. The hearing examiner shall have such rule-making and other powers necessary for conduct of the hearing as are specified by K.C.C. 20.24.170. The office of civil rights shall maintain the action and the order of the office of civil rights shall not be presumed correct. The hearing examiner's decision shall be based upon a preponderance of the evidence. The hearing shall be conducted within a reasonable time after receipt of the certification. Written notice of the time and place of the hearing shall be given at least ten days before the date of the hearing to each affected party and to the office of civil rights.

D. Each party may, among exercising other rights:

1. Call and examine witnesses on any matter relevant to the issues of the complaint;
2. Introduce documentary and physical evidence;
3. Cross-examine opposing witnesses on any matter relevant to the issues of the complaint;
4. Impeach any witness regardless of which party first called him or her to testify;
5. Rebut evidence against him or her; and
6. Represent himself or herself or to be represented by anyone of his or her choice who is lawfully permitted to do so.

E. Following review of the evidence submitted, the hearing examiner presiding at the hearing shall enter written findings and conclusions and shall affirm or modify the order previously issued if the hearing examiner finds that a violation is about to occur or occurred. The hearing examiner shall reverse the order if the hearing examiner finds that a violation is not about to occur or did not occur. The hearing examiner may grant as relief any relief that the office of civil rights could grant under K.C.C. 12.20.090.B. A copy of the hearing examiner's findings, conclusions and decision shall be served on all affected parties. The order of the hearing examiner is final unless reviewed by a court under K.C.C. 20.24.240.B. (Ord. 15399 § 49, 2006: Ord. 10469 § 9, 1992: Ord. 5280 § 7, 1981).

12.20.120 Enforcement by office of civil rights.

A. If the office of civil rights has reasonable cause to believe that a respondent breached a prefinding or postfinding settlement agreement executed under K.C.C. 12.20.080 or 12.20.090 or violated an order of the office of civil rights issued under K.C.C. 12.20.090 or an order of the hearing examiner issued under K.C.C. 12.20.100, the office of civil rights shall refer the matter to the prosecuting attorney for the filing of a civil action under subsection B. of this section for the enforcement of the agreement.

B. The prosecuting attorney may commence a civil action in superior court for appropriate relief with respect to breach of a prefinding or postfinding settlement agreement executed under K.C.C. 12.20.080 or 12.20.090, or violation of an order of the office of civil rights issued under K.C.C. 12.20.090 or an order of the hearing examiner issued under K.C.C. 12.20.100. This action may be commenced no later than ninety days after the referral of the alleged breach under subsection A. of this section. (Ord. 15399 § 50, 2006: Ord. 10469 § 12, 1992: Ord. 5280 § 9, 1981).

12.20.122 Enforcement by private persons.

A. An aggrieved person may commence a civil action in superior court not later than one year after the occurrence or the termination of an alleged discriminatory housing practice, whichever occurs last, to obtain appropriate relief with respect to such discriminatory housing practice.

B. The computation of the one-year period shall not include any time during which an administrative proceeding under this chapter was pending with respect to a complaint or charge under this chapter based upon the discriminatory housing practices.

C. An aggrieved person may commence a civil action under this section whether or not a complaint has been filed under K.C.C. 12.20.070 and without regard to the status of any such complaint. However, if the office of civil rights or the United States Department of Housing and Urban Development has obtained a prefinding or postfinding settlement or conciliation agreement with the consent of an aggrieved person, an action may not be filed under this section by the aggrieved person with respect to the alleged discriminatory housing practice that forms the basis for the complaint except for the purpose of enforcing the agreement. To preclude such a filing, the prefinding or postfinding settlement or conciliation agreement must include language that the charging party knowingly waives any right to file a civil action based on the same alleged unfair housing practice.

D. Subject to subsection E. of this section, after the filing of a civil action involving the same claim or arising from the same facts and circumstances, whether under this chapter or similar law, the office of civil rights may administratively close a complaint of an unfair housing practice.

E. If a court dismisses a private cause of action without reaching the merits and on grounds that would not preclude pursuit of a complaint under this chapter, the charging party may request, within ninety days of the entry of the court's order of dismissal, that the office of civil rights reopen a previously filed case. Upon such a request, the office of civil rights may reopen a case that was administratively closed upon the filing of a civil action. If the office of civil rights closes a case based on a "no reasonable cause" finding, the case shall not be reopened except as provided through reconsideration under K.C.C. 12.20.080. A charging party or aggrieved person may not secure relief from more than one governmental agency, instrumentality or tribunal for the same harm or injury.

F. An aggrieved person may not commence a civil action under this section with respect to an alleged discriminatory housing practice that forms the basis of a complaint if a hearing on the complaint has been convened by the office of the hearing examiner.

G. In a civil action under subsection A., of this section, if the court finds that a discriminatory practice occurred or is about to occur, the court may order remedies as allowed by 42 U.S.C. 3613 (c) as it exists on April 16, 2006, including punitive damages as provided in 42 U.S.C. 3613(c), and, subject to the restrictions of subsection H. of this section, may grant as relief, as the court deems appropriate, any permanent or temporary injunction, temporary restraining order or other order, including an order enjoining the defendant from engaging in the practice or ordering such affirmative action as might be appropriate. The court may also allow reasonable attorneys' fees and costs to the prevailing party.

H. Relief granted under this section shall not affect any contract, sale, encumbrance or lease consummated before the granting of the relief and involving a bona fide purchaser, encumbrances or tenant, without actual notice of the filing of a complaint with the office of civil rights or civil action under this chapter.

I. Upon timely application, the prosecuting attorney may intervene in the civil action if the prosecuting attorney determines that the case is of general public importance.

J. This section is intended to provide private judicial remedies for violations of this chapter that are as expansive as the powers granted by the Constitution of laws of the state of Washington. (Ord. 15399 § 51, 2006: Ord. 10469 § 13, 1992).

12.20.124 Civil enforcement when election is made for a civil action.

A. If an election is made under K.C.C. 12.20.100 for the claims to be decided in a civil action, the office of civil rights shall authorize and, not later than thirty days after the election is made, shall commence, on behalf of the charging party, a civil action in superior court to affirm or modify the order of the office of civil rights issued under K.C.C. 12.20.090.

B. Any aggrieved person with respect to the issues to be determined in a civil action under this section may intervene as of right in that civil action.

C. In a civil action under this section, if the court finds that a discriminatory housing practice has occurred, or is about to occur, the court may grant as relief any relief which a court could grant with respect to such discriminatory housing practice in a civil action under K.C.C. 12.20.122. Any relief so granted that would accrue to an aggrieved person in a civil action commenced by that aggrieved person under K.C.C. 12.20.122 also accrues to that aggrieved person in a civil action under this section. If monetary relief is sought for the benefit of an aggrieved person who does not intervene in that civil action, the court shall not award the monetary relief if that aggrieved person has not complied with discovery orders entered by the court. (Ord. 15399 § 52, 2006; Ord. 10469 § 14, 1992).

12.20.130 Exceptions.

A. Nothing in this chapter:

1. Prohibits treating any person or persons meeting the definition of parental status or any individual with a disability or individuals with disabilities more favorably than others if the favorable treatment does not discriminate against persons on the basis of race, color, religion, national origin, ancestry, age, gender, marital status, parental status, participation in the Section 8 program, sexual orientation, disability or use of a service or assistive animal by an individual with a disability;

2. Prohibits a religious organization, association or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association or society, from limiting the sale, rental or occupancy of dwellings that it owns or operates for other than a commercial purpose, to persons of the same religion, or from giving preference to persons of the same religion, but only if:

a. membership in the religion is not restricted on account of race, color, ancestry or national origin; and

b. the limitation or preference is reasonably in the furtherance of a religious purpose or activity;

3. Prohibits any person from limiting the rental or occupancy of housing accommodations in any sorority, fraternity, school dormitory or similar residential facility to persons of one gender if considerations of personal privacy exist;

4. Prohibits any person from limiting, on the basis of age or parental status, the sale, rental or occupancy of housing accommodations that fully qualify as housing for older persons age fifty-five and over under 42 U.S.C. Sec. 3607 as it exists on April 16, 2006;

5. Prohibits any person from limiting the sale, rental or occupancy of housing accommodations to:

a. individuals with disabilities in any housing facility operated for individuals with disabilities;

b. senior citizens in any housing facility operated exclusively for senior citizens; or

A. A complaint alleging discrimination in a place of public accommodation may be filed by:

1. Any aggrieved person; or

2. Any state, local or federal agency concerned with discrimination in places of public accommodation, including the office of civil rights, if the agency has reason to believe that a discriminatory act or practice has been or is being committed.

B. A complaint alleging discrimination in a place of public accommodation shall be in writing and signed by the charging party. The complaint must be filed with the office of civil rights within one hundred eighty days of the occurrence of the alleged discrimination or within one hundred eighty days of when the charging party, through exercise of due diligence, should have had notice or been aware of the occurrence. The complaint must describe with particularity the practice complained of and the location of the practice and must identify the person being charged with committing the discrimination. However, the office of civil rights shall not reject a complaint as insufficient because of failure to include all required information, if the office of civil rights determines that the complaint substantially meets the informational requirements necessary for processing.

C. Upon the receipt of a complaint, the office of civil rights shall serve notice upon the charging party acknowledging the filing.

D. The charging party or the office of civil rights may amend a complaint: to cure technical defects or omissions; to clarify and amplify allegations made in the complaint; or to add allegations related to or arising out of the subject matter set forth, or attempted to be set forth, in the original complaint. For jurisdictional purposes, the amendments relate back to the date the original complaint was first filed. Either the charging party or the office of civil rights, or both, may amend a complaint for these reasons as a matter of right before service of notice of hearing on the matter as provided under K.C.C. 12.22.070, and thereafter may amend a complaint only with the permission of the hearing examiner, which permission shall be granted if justice will be served by the permission, and all parties shall be allowed time to prepare their cases with respect to additional or expanded allegations that the parties did not and could not have reasonably foreseen would be an issue at the hearing.

E. The charging party may also amend a complaint to include allegations of additional unrelated discriminatory acts that arose after filing of the original complaint. The charging party must file any amendments adding the allegations within one hundred eighty days of the occurrence of the alleged discrimination or within one hundred eighty days of when the charging party, through exercise of due diligence, should have had notice or been aware of the additional discriminatory act, and before the issuance of findings of fact and a determination with respect to the original complaint by the office of civil rights. The amendments may be made at any time during the investigation of the original complaint if the office of civil rights will have adequate time to investigate the additional allegations and the parties will have adequate time to present the office of civil rights with evidence concerning the allegations before the issuance of findings of fact and a determination. (Ord. 15399 § 68, 2006: Ord. 8625 § 4, 1988).

12.22.050 Investigation of complaint.

A. After the filing of a complaint, the office of civil rights shall serve notice of the complaint and a copy of the complaint on the respondent within twenty days after the filing of the complaint. Each respondent may file an answer to the complaint not later than twenty days after receipt of notice from the office of civil rights. If a respondent is unable to file a response within twenty days, the respondent may request an extension of time from the office of civil rights. The extension may be granted by the office of civil rights if good cause is shown. The office of civil rights shall commence the investigation of the complaint promptly.

B. The office of civil rights shall direct the investigation to ascertain the facts concerning the discrimination in public accommodations alleged in the complaint and shall conduct the investigation in an objective and impartial manner. During the investigation, the office of civil rights shall consider any statement of position or evidence with respect to the allegations of the complaint that the charging party or the respondent wishes to submit. A person who is not named as a respondent in a complaint, but who is identified as a respondent in the course of the investigation, may be joined as an additional or substitute respondent upon written notice, as provided under subsection A. of this section, to the person from the office of civil rights. The notice, in addition to meeting the requirements of subsection A. of this section, must explain the basis for the belief of the office of civil rights that the person to whom the notice is addressed is properly joined as a respondent.

C. During the period beginning with the filing of the complaint and ending with the issuance of the findings of fact, the office of civil rights shall, to the extent feasible, engage in settlement discussions with respect to the complaint. Anything said or done in the course of the settlement discussions may not be made public or used as evidence in a subsequent proceeding under this chapter without the written consent of the persons concerned. A prefinding settlement agreement arising out of the settlement discussions must be an agreement between the respondent and the charging party, and is subject to approval by the office of civil rights. Each prefinding settlement agreement is a public record. Failure to comply with the prefinding settlement agreement may be enforced under K.C.C. 12.22.080.

D. The office of civil rights shall seek the voluntary cooperation of all persons to obtain access to premises, records, documents, individuals and other possible sources of information; to examine, record and copy necessary materials; and to take and record testimony or statements of persons reasonably necessary for the furtherance of the investigation. The office of civil rights may conduct discovery in aid of the investigation by the following methods or others: deposition upon oral examination or written questions; written interrogatories; requests for the production of documents or other evidence, inspection and other purposes; physical and mental examinations; and requests for admissions. The office of civil rights may sign and issue subpoenas requiring the attendance and testimony of witnesses and the production of or access to evidence including books, records, correspondence, e-mail or documents in the possession or under the control of the person subpoenaed as are necessary for the investigation. The office of civil rights shall consult with the prosecuting attorney before issuing a subpoena under this section.

E. If an individual fails to obey a subpoena issued under this section, or obeys the subpoena but refuses to testify if requested concerning a matter under investigation under this section, the office of civil rights may invoke the aid of the prosecuting attorney who may petition to the superior court for an order or other appropriate action necessary to secure enforcement of the subpoena. The petition shall:

1. Be accompanied by a copy of the subpoena and proof of service;
2. Set forth in what specific manner the subpoena has not been complied with; and
3. Ask for an order of the court to compel the witness to appear and testify or cooperate in the investigation of the discrimination in public accommodations.

F. If the office of civil rights concludes at any time after the filing of a complaint that prompt judicial action is necessary to carry out the purposes of this chapter, the office of civil rights may invoke the aid of the prosecuting attorney who may file a civil action for appropriate temporary, injunctive or preliminary relief pending final disposition of the case.

G. The office of civil rights shall reduce the results of the investigation to written findings of fact make and a finding that there either is or is not reasonable cause for believing that an act of discrimination in a place of public accommodations has been or is being committed.

H. If a finding is made that there is no reasonable cause, the finding shall be served on the charging party and respondent. Within thirty days after service of such a negative finding, the charging party may file a written request with the office of civil rights asking for reconsideration of the finding. The office of civil rights shall furnish the charging party with information regarding how to request reconsideration. The office of civil rights shall respond in writing within a reasonable time by granting or denying the request. (Ord. 15399 § 69, 2006; Ord. 8625 § 5, 1988).

12.22.060 Conference, conciliation and persuasion - orders.

A.1. If the office of civil rights makes the finding initially or on request for reconsideration that reasonable cause exists to believe that discrimination in a place of public accommodation occurred, the office of civil rights shall endeavor to eliminate the discriminatory practice by conference, conciliation and persuasion, which may include as a condition of settlement:

- a. elimination of the discriminatory practice;
- b. payment of refunds or credits not in excess of the amount of monetary damage actually incurred;
- c. payment of other actual damages, including damages caused by emotional distress, humiliation and embarrassment;
- d. payment of attorneys' fees and costs;
- e. participation in training on public accommodations laws; and
- f. such other requirements as may lawfully be agreed upon by the parties and the office of civil rights.

2. Any postfinding settlement agreement shall be reduced to writing and signed by all parties, with the approval of the office of civil rights. The office of civil rights shall then enter an order setting forth the agreement and furnish copies of the order to all affected parties. Each postfinding settlement agreement is a public record. Failure to comply with the postfinding settlement agreement or order may be enforced under K.C.C. 12.22.080.

B.1. If the parties cannot reach agreement, the office of civil rights shall make a finding to that effect, incorporate the finding in the order and furnish a copy of the order to all affected parties. The order shall also include:

- a. a finding that discrimination in a place of public accommodation occurred;
- b. the basis for the finding;
- c. an order requiring the respondent to cease and desist from such discriminatory practice and to take appropriate affirmative measures, which may include:
 - (1) payment of refunds or credit or other damages not to exceed monetary damage actually incurred;
 - (2) payment of other actual damages, including damages caused by emotional distress, humiliation and embarrassment;
 - (3) payment of attorneys' fees and costs;
 - (4) participation in training in public accommodations laws; or
 - (5) such other action as in the judgment of the office of civil rights will effectuate the purposes of this chapter, which may include the requirement for a report on the matter of compliance.

2. If the office of civil rights finds the respondent willfully or knowingly committed any discrimination in a place of public accommodation, the office of civil rights may further order the respondent to pay a civil penalty of up to one thousand dollars per violation, which penalty shall be paid to the King County treasury for deposit in the county general fund. (Ord. 15399 § 70, 2006: Ord. 8625 § 6, 1988).

12.22.070 Hearing - appeal.

A.1. Any respondent or charging party, after an order of the office of civil rights is made in accordance with K.C.C. 12.22.060.B, may request an appeal hearing before the hearing examiner by filing a written request for hearing within thirty days of the service of the order. The request for hearing shall be filed with the office of civil rights. The request for hearing must identify clearly and specifically:

- a. the errors that the appellant believes were made in the action or decision that is being appealed, or the procedural irregularities associated with that action or decision;
- b. specific reasons why the county's action should be reversed or modified; and
- c. the desired outcome of the appeal.

2. Unless the hearing examiner authorizes an amendment to the statement of appeal, the identification of errors and the statement of reasons for reversal or modification defines and limits the issues that the examiner may consider.

B. Any order issued by the office of civil rights in accordance with procedures in this chapter becomes final thirty days after service of the order unless a written request for hearing is filed with the office of civil rights within the thirty-day period.

C. If the order of the office of civil rights is appealed, the hearing examiner shall conduct a hearing for the purpose of affirming, denying or modifying the order. There shall be a verbatim record kept of the hearing. The hearing examiner has such rule-making and other powers necessary for the conduct of the hearing as are specified by K.C.C. 20.24.170. The order of the office of civil rights shall not be presumed correct. The hearing examiner's decision shall be based upon a preponderance of the evidence. The hearing shall be conducted within a reasonable time after receipt of the request for appeal. Written notice of the time and place of the hearing shall be given at least ten days before the date of the hearing to each affected party and to the office of civil rights.

D. Each party may, among exercising other rights:

- 1. Call and examine witnesses on any matter relevant to the issues of the complaint;
- 2. Introduce documentary and physical evidence;
- 3. Cross-examine opposing witnesses on any matter relevant to the issues of the complaint;
- 4. Impeach any witness regardless of which party first called the witness to testify;
- 5. Rebut evidence against him or her; and
- 6. Represent himself or herself or be represented by anyone of his or her choice who is lawfully permitted to do so.

E. Following review of the evidence submitted, the hearing examiner presiding at the hearing shall enter written findings and conclusions and shall affirm or modify the order previously issued if the hearing examiner finds that a violation occurred. The hearing examiner shall reverse the order if the hearing examiner finds that a violation did not occur. The hearing examiner may grant as relief any relief that the office of civil rights could grant under K.C.C. 12.22.060.B. A copy of the hearing examiner's decision shall be delivered to all affected parties. The order of the hearing examiner is final unless reviewed by a court under K.C.C. 20.24.240.B. (Ord. 15399 § 71, 2006; Ord. 8625 § 7, 1988).

12.22.080 Enforcement by the office of civil rights.

A. If the office of civil rights has reasonable cause to believe that a respondent breached a prefinding or postfinding settlement agreement executed under K.C.C. 12.22.050 or 12.22.060, or violated an order of the office of civil rights issued under K.C.C. 12.22.060 or an order of the hearing examiner issued under K.C.C. 12.22.070, the office of civil rights shall refer the matter to the prosecuting attorney for the filing of a civil action under subsection B. of this section for the enforcement of the agreement.

B. The prosecuting attorney may commence a civil action in superior court for appropriate relief with respect to a breach of a prefinding or postfinding settlement agreement executed under K.C.C. 12.22.050 or 12.22.060, or violation of an order of the office of civil rights issued under K.C.C. 12.22.060 or an order of the hearing examiner issued under K.C.C. 12.22.070. The action may be commenced no later than ninety days after the referral of the alleged breach underlying the referral under subsection A. of this section. (Ord. 15399 § 72, 2006; Ord. 8625 § 8, 1988).

12.22.085 Enforcement by private persons.

A. An aggrieved person may commence a civil action in superior court not later than one year after the occurrence or termination of alleged discrimination in a place of public accommodation or ninety days after a determination of reasonable cause is issued by the office of civil rights, whichever occurs last, to obtain appropriate relief with respect to the discrimination in public accommodations.

B. A civil action may be filed under this section whether or not an administrative complaint has been filed under K.C.C. 12.22.040 and without regard to the status of the complaint. However, if the office of civil rights obtained a prefinding or postfinding settlement or conciliation agreement with the consent of the aggrieved person, an action may not be filed by the aggrieved person with respect to the alleged discrimination in public accommodations that forms the basis for the complaint except for the purpose of enforcing the agreement. To preclude such a filing, the prefinding or postfinding settlement or conciliation agreement must include language that the aggrieved person knowingly waives any right to file a civil action under this section based on the same alleged discrimination in public accommodations.

C. Subject to subsection D. of this section, after the filing of a civil action involving the same claim or arising from the same facts and circumstances, whether under this chapter or similar law, the office of civil rights may administratively close a complaint of discrimination in public accommodations.

D. If a court dismisses a private cause of action without reaching the merits and on grounds that would not preclude pursuit of a complaint under this chapter, the charging party may request, within ninety days of the entry of the court's order of dismissal, that the office of civil rights reopen a previously filed case. Upon such a request, the office of civil rights may reopen a case that was administratively closed upon the filing of a civil action. If the office of civil rights closes a case based on a "no reasonable cause" finding, the case may not be reopened except as provided through reconsideration under K.C.C. 12.22.050.

E. A charging party or aggrieved person may not secure relief from more than one governmental agency, instrumentality or tribunal for the same harm or injury.

F. An aggrieved person may not commence a civil action under this section with respect to an alleged discrimination in public accommodations practice that forms the basis of a complaint if a hearing on the complaint has been convened under K.C.C. 12.22.070.

G. In a civil action under this section, if the court finds that discrimination in public accommodations occurred, the court may grant such relief as is available for violations of the Washington state Law Against Discrimination, chapter 49.60 RCW.

H. Upon timely application, the prosecuting attorney may intervene in the civil action, if the prosecuting attorney determines that the case is of general public importance.

I. This section is intended to provide private judicial remedies for violations of this chapter that are as expansive as the powers granted by the Constitution and laws of the state of Washington. (Ord. 15399 § 59, 2006).

(King County 3-2006)

12.22.090 Authorization to implement procedures. The office of civil rights may implement such forms, administrative processes and operational procedures as are necessary to comply with this chapter. The forms, processes and procedures shall be adopted in compliance with K.C.C. chapter 2.98. (Ord. 15399 § 73, 2006: Ord. 8625 § 9, 1988).

12.22.095 Code compliance.

A. If a complaint has been filed under this chapter, the office of civil rights shall initiate an investigation under the provisions of this chapter.

B. If the office of civil rights determines that a violation of this chapter or any rules and regulations adopted under this chapter occurred, the office shall issue an order under this chapter. 12.32.005 Purpose.

A. The purpose of this chapter is to encourage alarm users and alarm businesses to assume increased responsibility for the mechanical/electrical reliability and proper use of alarm systems and to prevent unnecessary police emergency response to false alarms, thereby to protect the emergency response capability of the county from misuse.

B. The obligation of complying with this chapter and liability for failing to do so is placed on the parties responsible for owning, operating, monitoring or maintaining alarm systems. (Ord. 13577 § 1, 1999).

12.32.010 Prohibited - Exception. The installation or use of any electric, electronic or mechanical security device which gives automatic notice to the communications center of the sheriff's office, is prohibited, except by federal, state or local government agencies acting with the permission of the sheriff. This provision specifically includes devices utilizing the public telephone system. (Ord. 13577 § 2, 1999: Ord. 1952 § 1, 1974).

12.32.020 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

A. "Alarm business" means the business by an individual, partnership, corporation or other entity of selling, leasing, maintaining, monitoring, servicing, repairing, altering, replacing, moving or installing an alarm system or causing to be sold, leased, maintained, monitored, serviced, repaired, altered, replaced, moved or installed an alarm system in or on any building, structure or facility.

B. "Alarm dispatch request" means a notification to the sheriff's office by an alarm business or another party that an alarm, either manual or automatic, has been activated at a particular alarm site.

C. "Alarm monitoring company" means an individual, partnership, corporation or other form of association that engages in the business of monitoring property, burglary, robbery or panic alarms and reporting activation of the alarm system to a law enforcement agency.

D. "Alarm site" means a single premises or location served by an alarm system or systems. Each tenancy, if served by a separate alarm system in a multitenant building or complex, is a separate alarm site.

E. "Alarm system" means a system, device or mechanism that, when activated, transmits a telephone message to a private alarm monitoring company or some other number, emits an audible or visible signal that can be heard or seen by persons outside the protected premises or transmits a signal beyond the premises in some other fashion, to report a crime in-progress or other crisis situation requiring a police response. "Alarm system" does not include a fire alarm system, medical alert system or an alarm installed on a motor vehicle.

F. "Alarm system user" means a person, firm, partnership, association, corporation, company or organization of any kind that uses an alarm system at its alarm site.

G. "False alarm" means the activation of any combination of burglary, robbery, panic or yard alarm when no crime is being committed or attempted on the premises. An alarm is presumed false if the sheriff's deputies responding do not locate evidence of an intrusion or commission of an unlawful act or emergency on the premises that might have caused the alarm to sound. However, "false alarm" does not include an alarm caused by extraordinary circumstances not reasonably subject to control by the alarm business operator or alarm user. An alarm dispatch request that is canceled by the alarm system monitoring company or the alarm system user before arrival of the responding officer to the alarm site is not a false alarm for the purposes of fine assessment or no-response status designation.

H. "Monitoring" means the process by which an alarm business receives signals from the alarm system and relays an alarm dispatch request to the proper jurisdiction for the purpose of summoning police response to the alarm site.

I. "No response" means that sheriff's deputies may not be dispatched to investigate a report of an automatic burglary or property alarm system activation at an alarm site that has a record of four false alarms within a continuous six-month period, if the alarm is the only basis for making the dispatch.

J. "Premises" means an area or a portion of an area protected by an alarm system.

K. "Sheriff" means the sheriff of King County.

L. "Verification" means an attempt to avoid an unnecessary alarm dispatch request by the alarm business, or its representative, by contacting the alarm site by telephonic or other electronic means, with or without actual contact with a system user or representative, before requesting a police dispatch. (Ord. 13577 § 3, 1999: Ord. 5655 § 1, 1981: Ord. 5164 § 1, 1980: Ord. 1952 (part), 1974).

12.32.030 Requirements.

A. 1. An alarm system may not have an alarm signal audible on the exterior of an alarm site that sounds longer than ten minutes after being activated.

2. An alarm system may not automatically dial the sheriff's office directly and deliver a prerecorded message unless specifically authorized by the sheriff.

B. An alarm user:

1. Shall submit a contact card to be on file in the sheriff's office communications center, a notice of the telephone numbers at which the person or persons authorized to enter the premises can be reached to respond;

2. Shall maintain the premises and the alarm system in a manner that will minimize or eliminate false alarms;

3. Shall make every reasonable effort to respond or cause a representative to respond to the alarm site within one hour when notified by the sheriff's office to deactivate a malfunctioning alarm system, to provide access to the premises or to provide security for the premises; and

4. May not manually activate an alarm for any reason other than an occurrence of an event for which the alarm system was intended to report.

C. An alarm monitoring company shall:

1. Attempt to verify whether an actual crime is being committed at the alarm site and report the results of its verification attempt to the sheriff's office;

2. Request cancellation of an alarm dispatch request upon verifying no event has occurred that the alarm system was intended to report; and

3. Describe in plain language, other than a zone number, the specific location on the premises of the point of entry or unauthorized access. (Ord. 13577 § 4, 1999: Ord. 5655 § 2, 1981).

12.32.040 Civil penalties for excessive or improper false alarms. For a response to premises at which no other false alarm has occurred within any consecutive six-month period, a fee may not be charged, but the person having or maintaining the burglary or robbery alarm shall within three working days notice to do so make a written report to the sheriff on forms prescribed by the sheriff setting forth the cause of the false alarm, the corrective action taken and such other information as the sheriff may require to determine the cause of the false alarm and corrective action necessary. (Ord. 13577 § 5, 1999: Ord. 12904 § 3, 1997: Ord. 5655 § 3, 1981).

12.32.050 False alarm - Civil penalty.

A. Any person or business, through error, omission or mechanical/electrical failure that causes two or more false alarms in any consecutive six-month period commits an infraction punishable by a civil penalty.

The penalty for the second false alarm is seventy-five dollars. The penalty for the third and successive false alarms is one hundred dollars. Any succeeding false alarms as a result of failure to take the necessary corrective action or any nonpayment of any false alarm charges, or both, may result in the sheriff ordering the disconnection of the alarm until either the corrective action is taken or any outstanding charges are paid, or both, or ordering no response to future alarms. However, a disconnection may not be ordered as to any premises required by law to have an alarm system in operation.

B. Any alarm system business or monitoring company, through error, omission or mechanical/electrical failure, that violates K.C.C. 12.32.030 commits an infraction punishable by a civil penalty. The penalty shall be one hundred dollars. (Ord. 13577 § 6, 1999: Ord. 12904 § 4, 1997: Ord. 5655 § 4, 1981: Ord. 5164 § 2, 1980: Ord. 1952 (part), 1974).

12.32.055 No response to excessive false alarms.

A. After the third false alarm in a six-month consecutive period, the sheriff shall send a notification to the alarm user and the alarm monitoring company, if any, by regular mail, that contains the following information:

1. That the third false alarm has occurred; and
2. That if another false alarm occurs within the six-month period, the sheriff's office will not respond to any subsequent alarm activations without the approval of the sheriff or a visual verification.

B.1. After the fourth false alarm within a consecutive sixth-month period, the police may not respond to subsequent alarms without approval of the sheriff. If police response is suspended, the sheriff shall send a notification of no-response status to:

- a. The sheriff's office communication center;
- b. The alarm user, by first class mail; and
- c. The alarm user's alarm monitoring company, if any, by first class mail.

2. The notice must include explanation that the approval of the sheriff for reinstatement may only be obtained by applying in writing for the reinstatement. The sheriff may reinstate the alarm user upon a finding that reasonable effort has been made to correct the false alarms, including documentation from an alarm business, stating that the alarm system is operating properly and that the alarm user's agents are properly trained in the alarm system's operation. The county and sheriff are not responsible for costs incurred by the alarm system user to qualify for reinstatement.

C. The suspension of police response must begin twenty days after the notice of suspension or notice of no-response status was sent by first class mail to the alarm user unless a written request for an appeal hearing has been filed in the required time period under this chapter. (Ord. 13577 § 7, 1999).

12.32.060 False alarm - Responsibility - Issuance of notice of violation, collection of civil penalty. The sheriff's office shall issue notice of infraction to a person following a violation of this chapter. The sheriff's office shall notify the King County office of finance of the charges, fees and penalties that are to be collected. The King County office of finance shall collect charges, fees and penalties not properly canceled and discharged. (Ord. 13577 § 8, 1999: Ord. 5655 § 5, 1981: Ord. 5164 § 3, 1980: Ord. 1952 (part), 1974).

12.32.070 Right to hearing. Any person or business cited has a right to a hearing to contest the validity of either the notice of infraction or the amount of the civil penalty or both. The hearing shall be held in the division of the district court where the notice of violation was issued.

A. Such a person or business shall make a written request for a hearing on a form provided by the sheriff.

B. A request for a hearing must be filed with the district court within ten days after the date when the citation was issued.

C. The district court at least ten days after the request for a hearing shall notify the person requesting the hearing, in writing: 1. of the hearing date and time; 2. that if the person or business desires to have the officer responsible for the issuance of the civil infraction, a written request on a document provided by the district court must be returned to the district court no later than ten days before the hearing date; and 3. that in the absence of such a request, the officer's notice of violation must be received in evidence.

D. A person or business has until ten days after the date of the request for a hearing to cancel the hearing by making payment to the district court in the amount of the civil infraction. If a hearing is canceled more than ten days after its request, then a ten dollar cancellation fee must be paid to the district court in addition to the amount of the civil infraction.

E. At the hearing, the sheriff's office shall produce any relevant evidence to show that the issuance of the notice of violation was proper.

F. At the hearing, the person or business having requested the hearing may produce any relevant evidence to show that the issuance of the notice of violation was not proper.

G. At the conclusion of the hearing, the district court shall determine whether the imposition of the civil penalty was proper and provide both parties with a copy of its decision setting forth in writing the reasons for the determination reached. Should the district court determine that the amount of the penalty was not proper, then the court shall determine the proper amount and provide a copy of its decision to the person or business requesting the hearing and the sheriff's office.

H. If the civil penalty is found proper, then the civil penalty together with court costs and the expenses of the hearing shall be assessed as a civil penalty against the owner of the premises.

I. If the civil penalty is not found to be proper, then the owner of the premises shall bear no costs.

J. Nothing in this chapter shall be construed to prevent a court exercising discretion in assessing penalties, costs or arranging time payments if justice so requires. (Ord. 13577 § 9, 1999: Ord. 5655 § 6, 1981).

12.32.080 Severability. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances shall not be affected. (Ord. 5655 § 7, 1981).

Any vessel or watercraft may anchor or moor without being subject to the permit requirements of Sections 12.46.050 and 12.46.070; provided, that the vessel or watercraft does not remain within a one-mile radius of the original anchorage or moorage for a period longer than seventy-two hours out of any one hundred twenty-hour period. (Ord. 4257 § 5, 1979).

12.46.070 Exemptions. The following vessels, watercraft and obstructions are exempt from the permit requirements of this chapter:

A. Where owned, leased or under the control of licensed and bonded marine contractors at the site of and necessary for the completion of a construction project which has received all necessary federal, state and local permits, approvals and licenses; and

B. Where anchorage or moorage is necessary because of an emergency situation created by an immediate threat to life, the craft and/or the property of others. (Ord. 4257 § 7, 1979).

12.46.080 Application procedures.

A. Any person may apply for an anchoring and mooring permit by submitting to the director a written application stating the owner's and master's name, address and telephone number; the type, description and size of the vessel, watercraft or obstruction; the reason for the application; the area of proposed anchorage or moorage, readily identifiable on a current chart or map; a description of the means by which the vessel, watercraft or obstruction will be anchored or moored; and the length of time, including inclusive dates, for which the permit is desired.

B. The director may process the application in conjunction with review of an application for a United States Army Corps of Engineers permit, if such a permit is required.

C. The application shall be referred to the Department of Planning and Community Development for comment and recommendation thereon.

D. In the event that the director determines that granting the permit might deprive or materially interfere with reasonable water access of privately or publicly owned properties, the director shall notify such property owners and/or public agencies in writing and give them a reasonable time to comment on the application.

E. The director is authorized to impose on the applicant reasonable fees designed to reimburse the county for processing of the application and administration of the permit system, including any notice or publication required under this chapter. Fees shall be set by a schedule promulgated by the director through appropriate rules and regulations. Where anchorage is exclusively for the public benefit, such as the Sea Scouts, Maritime Schooling Vessels, or scientific research, such fees may be reduced or waived for a period of time not to exceed six months. (Ord. 4257 § 8, 1979).

12.46.090 Permit renewals and extensions.

A. Any permit may be renewed for the same or a different duration under the terms, conditions and procedures specified in this chapter for original applications; provided, that for renewal applications which, when considered together with the original permit or previous renewals, would create a continuous usage in excess of three hundred sixty-five days, the director shall take the following additional steps in processing the application:

1. Cause to be published in a county newspaper of general circulation a notice of the application soliciting public comment;
2. Post such notice in prominent places in the immediate vicinity of the moorage or anchorage; and
3. Notify and solicit comment from the State Commissioner of Public Lands.

B. The director may extend a permit past its expiration date if mechanical or structural failures or acts of nature have occurred which would make moving unsafe and a threat to life, the craft and/or property of others. The sole inability of a vessel, watercraft or obstruction to propel itself shall not, however, constitute grounds for an extension. (Ord. 4257 § 9, 1979).

12.46.100 Suspension and revocation. The director may upon written notice suspend or revoke permanently any permit previously granted under this chapter for any one or more of the following causes:

- A. Failure of the holder to comply with any requirement of this chapter or rule or regulation adopted thereunder, or with any term or condition of the permit, or with any written notice from the director ordering corrective measures;
- B. Failure of the holder to comply with any federal, state or local law, ordinance, rule or regulation pertaining to the subject craft or its use;
- C. Discovery by the director that the permit was issued by mistake or on incorrect information or by the fraud of the applicant; or
- D. Interference by the applicant, owner, master or any agent or employee thereof, with the director or any other county official or employee in the performance of his legal duties. (Ord. 4257 § 10, 1979).

12.46.110 Assignment of permit. The anchoring and mooring permit is personal to the grantee and shall not be assigned except with the written consent of the director. (Ord. 4257 § 11, 1979).

12.46.120 Lights and audible devices. All vessels, watercraft and obstructions which are anchored or moored must comply with federal, state and local laws, ordinances, rules and regulations pertaining to the display of lights, sounding of audible devices and obstruction of navigation. (Ord. 4257 § 12, 1979).

12.46.130 Declaration of nuisance. All violations of this chapter are determined to be detrimental to the public safety, health and welfare and are declared public nuisances subject to abatement. (Ord. 4257 § 13, 1979).

12.46.140 Right of entry. Whenever necessary to make an inspection to enforce or determine compliance with the provisions of this chapter, or whenever the director or his duly authorized inspector has cause to believe that a violation of this chapter has been or is being committed, the inspector may board and enter any vessel, watercraft or obstruction at reasonable times to inspect the same, subject to the following conditions:

A. If such craft is occupied, the inspector shall present identification credentials, state the reason for the inspection, and demand entry;

B. If such craft is unoccupied, the inspector shall first make a reasonable effort to locate the owner, master or other persons having charge or control of the craft and demand entry. If the inspector is unable to locate the owner, master or such other persons, and he has reason to believe that conditions therein create an immediate and irreparable safety or health hazard, he shall make entry;

C. It is unlawful for any owner, master or any other person having charge, care or control of such craft to fail or neglect after proper demand has been given to permit prompt entry thereon where the inspector has reason to believe that conditions therein create an immediate and irreparable safety or health hazard;

D. Unless entry is consented to by the owner, master or person in control of the craft or conditions are believed to exist which create an immediate and irreparable safety or health hazard, the inspector, prior to entry, shall obtain a search warrant as authorized by the laws of the state of Washington. (Ord. 4257 § 14, 1979).

12.46.150 Impoundment.

A. GROUND. The director may take immediate possession of and impound any vessel, watercraft or obstruction under the following conditions:

1. The vessel, watercraft or obstruction is moored or anchored after expiration, suspension, revocation or violation of an anchoring and mooring permit or appears after reasonable investigation to be abandoned; or

2. The vessel, watercraft or obstruction is in violation of this chapter and remains at anchor or moored seventy-two hours after service on the owner or master, either personally or by registered or certified mail, of an order from the director to remove the same; or

3. The vessel, watercraft or obstruction appears after reasonable investigation to be unsafe or incapable of water transportation.

B. REMOVAL. The director may remove any vessel, watercraft or obstruction using such methods as in his judgment will prevent unnecessary damage to such vessel, watercraft or obstruction and/or assign the removal and impounding of such vessel, watercraft or obstruction to a private corporation.

C. EXPENSES. In the event possession is taken of any vessel, watercraft or obstruction the expenses incurred by the county in the removal, towing, impounding and moorage of the same shall be paid by such craft or the owner, master or other person in charge thereof. When a vessel, watercraft or obstruction is moored or impounded at a county facility, the director shall assess a reasonable moorage charge therefor, which shall be paid by such craft or the owner, master or other person in charge thereof. The director may decline to release possession of any vessel, watercraft or obstruction until all charges are paid.

D. SALE AT AUCTION. In the event a vessel, watercraft or obstruction shall remain impounded for ninety days and the charges of towing and impounding remain unpaid, the director may sell the same at public auction. The county may maintain an action against the owner, master or person in charge of the vessel, watercraft or obstruction for the recovery of the expenses of towing and impounding, or the remaining balance thereof, in the event of sale of the same.

E. LIABILITY. The director shall not be held personally responsible for damages incurred as a result of impound of a vessel, watercraft or obstruction so long as reasonable practices are employed in such operation. (Ord. 4257 § 15, 1979).

12.46.160 Impoundment-in-place. When taking possession of a vessel, watercraft or obstruction as authorized by Section 12.46.150, the director may impound the vessel, watercraft or obstruction in place by posting the same with one or more signs or notices in conspicuous places stating "POLICE IMPOUND - KEEP OFF" and notifying the owner, master or person in charge of the impounding. The director may in his discretion appoint as custodian the owner or master, or the owner or operator of the facility or property where the vessel is moored or anchored. Upon the posting of such signs, it shall be unlawful for any person:

A. To move, load or unload, rebuild, or enter upon such vessel, watercraft or obstruction without written permission from the director, other than for necessary maintenance and repair to prevent deterioration of the same or sinking;

B. To remove, mutilate, destroy or conceal any notice or sign posted by the director or any other county official or employee under authority of law. (Ord. 4257 § 16, 1979).

12.46.170 Abatement.

A. In addition to or as an alternative to any other judicial or administrative remedy provided in this chapter or by law or other ordinance, the director may order a condition in violation of this chapter to be abated. The director may order any person who creates or maintains such a violation to commence corrective work and to complete the work within such time as the director determines reasonable under the circumstances.

B. If the required corrective work is not commenced or completed within the time specified, the director may proceed to abate the violation and cause the necessary work to be accomplished. King County shall have a lien for the cost of the work accomplished pursuant to this ordinance, which shall be the joint and separate personal obligations of the person or persons responsible for the violation. The director shall cause a claim for lien to be recorded with the records and elections division, or its successor agency.

C. The lien created by this chapter shall be paramount to all other liens, except for federal, state and county taxes, with which it shall be on a parity. The prosecuting attorney on behalf of King County may collect the abatement work costs by use of all appropriate legal remedies, including foreclosure of the lien. (Ord. 14176 § 1, 2001; Ord. 4257 § 17, 1979).

12.46.180 Violation - Penalty. As an alternative to any other judicial or administrative remedy provided in this chapter or by law or other ordinance, any person who violates this chapter or any rule and regulation adopted thereunder, or any written order issued by the director pursuant to this chapter, or by each act of commission or omission procures, aids or abets such violation, is guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed five hundred dollars and by imprisonment in the county jail for a term not to exceed ninety days. Each day such violation continues shall be considered an additional misdemeanor offense. (Ord. 4257 § 18, 1979).

12.46.190 Appeals. Any person aggrieved by the granting or denial of an anchoring and mooring permit authorized by Section 12.46.050 may appeal such action to the King County Board of Appeals by filing written notice of appeal with the office of the clerk of the King County Council within ten days of such granting or denial. The board shall conduct such hearing or hearings as are necessary, in accordance with Article 7 of the Charter and its rules of practice and procedure, to determine whether the county action is in compliance with the standard set forth in this chapter. (Ord. 4257 § 20, 1979).

12.46.200 Rulemaking. The director may promulgate appropriate rules and regulations, in accordance with KCC Chapter 2.98, to implement the standards and provisions of this chapter. (Ord. 4257 § 19, 1979).

12.46.210 Severability. Should any chapter, section, subsection, paragraph, sentence, clause or phrase of this chapter be declared unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of this chapter. (Ord. 4257 § 21, 1979).

12.50.010 Findings. The King County council hereby makes the following legislative findings:

A. Authoritative experts including the U.S. Surgeon General and the National Academy of Sciences have concluded that nonsmokers may incur considerable health risk from the inhalation of cigarette smoke. According to the National Academy of Sciences, "public policy should clearly articulate that involuntary exposure to tobacco smoke has adverse health effects and ought to be minimized or avoided wherever possible.

B. Tobacco smoke coming off the burning end of a cigarette (side stream smoke) contains various substances which are irritants notably ammonia formaldehyde and acrolein, toxic gases such as carbon monoxide and hydrogen cyanide as well as numerous carcinogenic and mutagenic compounds. Side stream smoke is produced 94% of the total smoking time. Studies have shown some association between passive smoking and a broad variety of health problems, some of which may be disabling. Breathing smoke in the workplace can cause irritations of the eyes and nasal passages, headaches, coughing and respiratory problems of affected individuals. Studies have demonstrated long term exposure to indoor tobacco smoke at work produced small airway dysfunctions in nonsmokers equivalent to that found in individuals who had smoked up to ten cigarettes a day. A number of studies indicate that passive smoking is also associated with the increased risk of lung cancer.

C. For employees with preexisting health conditions, passive smoking can critically impair their ability to work. Recent court decisions have held employers responsible to employees to provide smoke free work environments or be held liable for documented discomfort, pain and illness caused to the employee by smoke in the workplace.

D. Since 1984, the county has by executive order and council motion prohibited smoking in public areas and limited employee smoking to designated areas, but the council finds such efforts to control smoking in county facilities have not eliminated the problems. A pattern of complaints has continued.

E. The county's air ventilation systems often simply remove the smoke from areas and recirculate it through the building; physical barriers separating smoking from non-smoking areas have proven inadequate. It has proven impossible to treat the conditions of each work area separately in isolation from its effects on other workers.

F. Based on an extensive review of the problems and alternatives, the King County Smoking Control Policy Committee has recommended a comprehensive and uniform ban to overcome the past problems.

G. Additional scientific studies regarding the comprehensive health problems from passive smoke in the work place are still necessary, however, based on available data it would be unwise and imprudent for the county to continue to allow chronic exposure to tobacco smoke in county facilities.

H. The council finds the provisions of this chapter are a responsible and necessary action to protect the public health and the health of its employees from risk. (Ord. 7884 § 1, 1986).

12.50.020 Definitions.

A. "Smoking" shall mean and include inhaling, exhaling, or carrying any burning tobacco or other plant matter, including but not limited to cigarettes, cigars, or pipes.

B. "Enclosed Work Area" shall mean that area closed in by a roof and walls with at least one opening for ingress and egress, with the intended use primarily for and by officers and employees of King County while conducting county business in facilities which are owned, leased or rented by King County.

C. "Common Areas" shall mean that area enclosed by a roof and walls in facilities which are owned, lease or rented by the county, including but not limited to employees lounges, lunchrooms, stairways, elevators and restrooms. (Ord. 7884 § 2, 1986).

12.50.030 Smoking prohibited - exemptions. Smoking is prohibited in all county enclosed work and common areas, whether in enclosed individual or shared office spaces, and shall include all county vehicles, and shall apply to all persons who visit enclosed work and common areas, including all officers, employees, contractors, or visitors during all hours and all days of the year. This prohibition shall become effective on July 1, 1987.

A. Exemptions. The provisions of this section shall not apply to the King County correctional facility, nor the Cedar Hills Alcoholism Treatment Center, until a plan for implementation has been developed for those facilities by a committee designated by the county executive. The implementation plans shall be completed by July 1, 1987. Implementation shall occur by January 4, 1988.

B. As part of the implementation plan, the county executive may issue and promulgate Executive Orders which will allow smoking in the county's correctional facility and the Cedar Hills Treatment Center in certain designated areas within these facilities.

C. Other exceptions.

1. Smoking may be allowed in areas of the Kingdome that are leased to Executive Suite tenants under separate agreements, provided that appropriate measures are taken to ensure that smoke from the Executive Suites is not circulated into the general seating areas.

2. Smoking may be permitted in certain designated areas, such as in the "Top of the Dome" and in designated areas during events produced by tenants of the Kingdome. The designated smoking areas shall be identified by the director of stadium administration, or his designee, in consultation with the major tenants. The director of stadium administration, or his designee, shall reserve the option not to allow smoking anywhere in the Kingdome during certain events. Unless otherwise stipulated, smoking is allowed only on the exterior rampways of the Kingdome. Smoking shall not be allowed on the Kingdome arena floor, nor in the general seating areas.

D. Further Exceptions.

1. Should members of a collective bargaining unit determine that the smoking policy creates a situation with impacts peculiar to their particular bargaining unit, and impacts can be strictly limited to only members of their bargaining unit, an exception request may be submitted to the county's personnel manager, who will bargain in good faith with the collective bargaining representative regarding application of the county smoking policy. Provided that no exceptions will be authorized that result in exposing employees to unwelcome tobacco smoke in common or enclosed work areas.

2. Nonrepresented officers and employees who determine that the smoking policy creates a unique situation with an adverse impact on the employee while in his/her place of work and the impacts can be strictly limited to that individual, may submit an exception request to his/her department director, who shall submit the request, along with the director's recommendation, to the county's personnel manager. The personnel manager shall determine the feasibility of allowing an exception to the policy. Provided that no exceptions will be authorized that result in exposing employees to unwelcome tobacco smoke in common or enclosed work areas. (Ord. 8312, 1987; Ord. 7884 § 3, 1986).

12.50.040 Smoking cessation classes. For all county officers and employees who wish to quit smoking, the county will sponsor smoking cessation classes. It is intended that such classes would be available by January 1, 1987 or as soon thereafter as is possible. The county shall establish the cost per person of providing the county-sponsored smoking cessation classes. Officers and employees may also choose to use an alternative to the county-sponsored smoking cessation classes. The county will reimburse officers and employees participating in and completing any alternative smoking cessation program in an amount equal to the county's per employee cost for the program it sponsors. (Ord. 7884 § 4, 1986).

12.50.050 Compliance. Enforcement shall be the responsibility of the elected county officials ultimately responsible for the conduct of county employees, within the respective executive, legislative and judicial branches of King County government. However, under no circumstances shall a violation of this chapter constitute grounds for dismissal or suspension, if said violation is the sole basis for taking action against the employee. The primary objective of discipline with regard to the county's policy governing smoking in the work environment shall be to correct behavior in violation of said policy, not to punish or penalize employees who smoke. (Ord. 7884 § 5, 1986).

TOBACCO ADVERTISING

Sections:

- 12.51.010 Findings.
- 12.51.020 Definitions.
- 12.51.030 Advertising prohibited in county facilities.
- 12.51.040 Severability.

12.51.010 Findings. The King County council hereby makes the following findings:

A. The United States Surgeon General has determined that smoking tobacco causes lung cancer and has found cigarette smoking to be as addictive as cocaine and heroin. The National Institute on Drug Abuse and the United States Public Health Service have concluded that the nicotine in tobacco is a powerful, habit-forming drug and described nicotine addiction as the most widespread example of drug dependence in our country. In addition, the American Medical Association has concluded cigarette smoking is the chief avoidable cause of death in our society.

B. The Journal of Health Politics, Policy and Law reports the tobacco industry spends more than \$2 billion annually to advertise its products, equaling more than \$35 for each of the nation's 56 million smokers.

C. Studies published in the Journal of the American Medical Association and the Health Education Journal establish a link between advertising and children's recognition and acceptance of tobacco products. It was found that children's favorable attitudes toward advertising and smoking precede actual tobacco use and correlate with the child's intention to smoke.

D. Tobacco advertising at publicly owned sports facilities where sporting events are broadcast on television is routinely visible during those telecasts and circumvents federal law prohibiting tobacco product advertising on television. (Ord. 10615 § 1, 1992).

12.51.020 Definitions:

A. "Advertise" shall mean to display any poster, sign, or other written or visual material which is intended to communicate commercial information or images to the public.

B. "County facility" shall mean any structure, facility, or fixture owned by or leased to King County.

C. "Tobacco product" shall mean any product containing tobacco, the prepared leaves of plants of the Nicotiniana family, including but not limited to cigarettes, loose tobacco, cigars, snuff, chewing tobacco, or any other preparation of tobacco. (Ord. 10615 § 2, 1992).

12.51.030 Advertising prohibited in county facilities. Tobacco product advertising prohibited in county facilities. No contract, or amendment, or renewal or extension thereof, relating to use of county facilities or to advertising in county facilities shall allow any advertising of any tobacco product in a county facility; provided, that this shall not apply to:

Advertising contained in a program, leaflet, newspaper, magazine, or other written material lawfully sold within a county facility. (Ord. 10615 § 3, 1992).

12.51.040 Severability. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected. (Ord. 10615 § 4, 1992).

- 12.52.030 Powers delineated.

12.52.010 Definitions. The following definitions shall apply in the interpretation and implementation of this chapter:

A. "Emergency" or "disaster" means an event or set of circumstances such as fire, flood, explosion, storm, earthquake, epidemic, riot or insurrection, which demands the immediate preservation of order or of public health or the restoration to a condition of usefulness of any public property, the usefulness of which has been destroyed or where delay will result in financial loss to the county or for the relief of a stricken community overtaken by such occurrences or which reaches such a dimension or degree of destructiveness as to warrant the executive proclaiming a state of emergency pursuant to K.C.C. 12.52.030.

B. "Emergency management" means the preparation for and carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to, and recover from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural or human-made, and to provide support for search and rescue operations for persons and property in distress pursuant to the provisions of chapter 38.52 RCW.

C. "Emergency worker" means any person, including but not limited to an architect registered under chapter 18.08 RCW or a professional engineer registered under chapter 18.43 RCW, who is registered with the county or state of Washington and/or holds an identification card issued by the county or the state of Washington for the purpose of engaging in authorized emergency management activities or is an employee of the state of Washington or any political subdivision thereof who is called upon to perform emergency management activities.

D. "Injury" means and includes accidental injuries and/or occupational diseases arising out of emergency management activities.

E. "Search and rescue" means the acts of searching for, rescuing, or recovering by means of ground, marine, or air activity any person who becomes lost, injured, or is killed while outdoors or as a result of a natural or human-made disaster, including instances involving searches for downed aircraft when ground personnel are used. (Ord. 12163 § 3, 1996).

12.52.020 Emergency powers conferred upon executive - Mutual aid - Compensation for emergency workers.

A. Because of the existing and increasing possibility of the occurrence of disasters of unprecedented size and destructiveness, and in order to ensure that preparations of King County will be adequate to deal with such disasters, and further to ensure adequate support for search and rescue operations, to manage recovery from such disasters to generally protect the public peace, health, and safety, and to preserve the lives and property of the people of King County, it is hereby found and declared to be necessary:

1. To confer upon the executive the emergency powers provided herein pursuant to K.C.C. 2.56;
2. To provide for the rendering of mutual aid among the political subdivisions of King County and with other counties and to cooperate with state governments, the provinces of the Dominion of Canada and the federal government with respect to the carrying out of emergency management functions pursuant to K.C.C. 2.56 and chapter 38.52 RCW; and
3. To provide a means of compensating emergency workers who may suffer any injury as defined by chapter 38.52 RCW as a result of participation in emergency management service.

B. All emergency management functions of the county shall be coordinated to the maximum extent with the comparable functions of state governments, the federal government, and private agencies of every type, so that the most effective preparation and use may be made of county resources and facilities for addressing any disaster that may occur. (Ord. 12163 § 4, 1996; Ord. 1058 § 2, 1971).

12.52.030 Powers delineated. The executive shall see that the Washington State laws and ordinances of King County are enforced, and shall direct and control all subordinate officers of the county, except insofar as such enforcement, direction and control is by King County Charter reposed in some other officer or board, and shall maintain the peace and order in King County.

A. Whenever an emergency or disaster occurs in King County and results in the death or injury of persons or the destruction of property to such extent as to require, in the judgment of the executive, extraordinary measures to protect the public peace, safety and welfare, the executive may forthwith proclaim in writing the existence of such an emergency.

B. Upon the proclamation of an emergency by the executive, and during the existence of such emergency, the executive may make and proclaim any or all of the following orders:

1. An order recalling King County employees from vacation, canceling days off, authorizing overtime, or recalling selected retired employees;

2. An order waiving the requirements of K.C.C. 4.04, 4.16, 4.18, 12.16 and 12.18.095 with reference to any contract relating to the county's lease or purchase of supplies, equipment, personal services or public works as defined by RCW 39.04.010, or to any contract for the selection and award of professional and/or technical consultant contracts. Provided, however, that an emergency waiver of the requirements under K.C.C. 4.18, 12.16 and 12.18 shall not amend the annual utilization goals unless the emergency makes it impossible to achieve the annual utilization goals.

3. An order directing evacuation and/or clearing of debris and wreckage caused by an emergency or disaster from publicly and privately owned lands and waters;

4. Also, sources producing sound levels less than ninety dB(A) shall comply with subsection A of this section during those hours not covered by this subsection B.

2. For purposes of this subsection B, the standard of measurement shall be a one-hour Leq. Leqs may be measured for times of at least one minute to project an hourly Leq. Reference to one hour is for measurement definition purposes only and does not limit construction to a one-hour period.

C. Construction activity that exceeds the maximum permissible sound levels established in K.C.C. 12.88.020, when measured from the interior of buildings within a commercial or industrial district, is prohibited between eight a.m. and five p.m. For purposes of this subsection, interior sound levels may be measured only after every reasonable effort, including closing windows and doors, is taken to reduce the impact of the exterior construction noise. **Chapter 12.96
VARIANCES****Sections:**

- 12.96.010 Variance procedure.
- 12.96.020 Types of variances.
- 12.96.030 Plan review fee.

12.96.010 Variance procedure.

A. Any person who owns or is in possession of any property or use, or any process or equipment, may apply to the administrator for relief from the requirements of Chapters 12.86 through 12.100 or rules or regulations promulgated hereunder governing the quality, nature, duration or extent of discharge of noise. In a proper case, the variance may apply to all sources of a particular class or type. The application shall be accompanied by such information and data as the administrator may require. In accordance with the administrative code, the administrator shall promulgate rules and regulations governing the application for and granting of such variances, including hearings and notice.

B. Application for a variance or renewal of a variance shall be accompanied by payment of a nonrefundable base fee as follows:

- 1. Temporary variance \$200.00;
- 2. Technical or economic variance, source in rural or residential district \$200.00;
- 3. Technical or economic variance, source in commercial or industrial district \$500.00.

C. In addition to the base fee the review fee for technical or economic variance shall be the actual costs associated with application review over and above the base fee.

D. A variance or its renewal shall not be a right of the applicant or holder thereof, but shall be at the reasonable discretion of the administrator.

E. No variance shall be granted pursuant to this section until the administrator has considered the relative interests of the applicant, other owners or possessors of property likely to be affected by the noise, and the general public. A technical or economic variance may be granted only after a public hearing on due notice. The administrator may grant a variance, if he finds that:

- 1. The noise occurring or proposed to occur does not endanger public health or safety; and
- 2. The applicant demonstrates the criteria required for temporary, technical or economic variance

under Section 12.96.020.

F. Variances, except temporary variances, granted pursuant to Chapters 12.86 through 12.100 may be renewed on terms and conditions and for periods which would be appropriate on the initial granting of a variance. No renewal shall be granted except on application made at least sixty days prior to the expiration of the variance.

G. Any person aggrieved by the denial, grant, or the terms and conditions on the grant of an application for a variance by the administrator may appeal such decision under procedures incorporated by Chapter 12.99.

H. Any person or source granted a variance pursuant to the procedures of this section or an appeal shall be exempt from the maximum permissible sound levels established by Chapters 12.86 through 12.100, to the extent provided in the variance. (Ord. 12920 § 1, 1997: Ord. 9224 § 1, 1989: Ord. 7415 § 1, 1985: Ord. 4181 § 1, 1979: Ord. 3139 § 701, 1977).

12.96.020 Types of variances.

A. Temporary variance. The administrator may grant a temporary variance, not to exceed fourteen days of operation, for any activity, use, process or equipment that the administrator determines, in accordance with rules and regulations, does not annoy a substantial number of the people and does not endanger public health or safety.

B. Technical variance. A technical variance may be granted by the administrator on the grounds that there is no practical means known or available for the adequate prevention, abatement or control of the noise involved. Any technical variance shall be subject to the holder's taking of any alternative measures that the administrator may prescribe. The duration of each technical variance shall be until such practical means for prevention, abatement or control become known or available. The holder of a technical variance, as required by the administrator, shall make reports to the administrator detailing actions taken to develop a means of noise control or to reduce the noise involved and must relate these actions to pertinent current technology.

C. Economic variance. An economic variance may be granted by the administrator on the ground that compliance with the particular requirement or requirements from which the variance is sought will require the taking of measures that, because of their extent or cost, must be spread over a period of time. The duration of an economic variance shall be for a period not to exceed such reasonable time as is required in the view of the administrator for the taking of the necessary measures. The request for review shall be accompanied by a plan review fee of fifty dollars (\$50.00). Chapter 12.140
DNA IDENTIFICATION DATA

Sections:

- 12.140.010 Legislative history.
- 12.140.040 Collection program.
- 12.140.050 Date of implementation.
- 12.140.060 Safeguard provisions.
- 12.140.070 Cooperation with other enforcement agencies.

12.140.010 Legislative history. The King County council after extensive examination of the scientific, forensic and criminal investigation fields makes the following findings:

Recent developments in molecular biology and genetics have established scientific principles that have extraordinarily important applications for forensic science. It has been scientifically established that there is a unique pattern to the chemical structure of each individual's deoxyribonucleic acid (DNA) which is contained in each cell. Means of identifying that pattern through a process called "DNA fingerprinting" have been developed. The processes use enzyme probes to break down the DNA structure and identify the exact location of certain markers. The technology has the potential to revolutionize forensic biology. The accuracy of identification is far beyond any previous means of blood analysis. The DNA techniques are far more powerful than existing ones because of the range of age, purity and quantity of evidentiary samples that may be analyzed.

The King County council recognizes the importance of these scientific breakthroughs to provide a powerful and accurate investigatory tool for the solution of crimes, especially sex offenses. The council believes that it is necessary to pursue vigorous and urgent development of a fair, balanced, reasonable means for collection, analysis, storage and use of DNA identification data in order to aid the administration of justice in King County. Building a library of identification data on individuals convicted of sexual offenses offers an additional means that past and future crimes may be solved and the actual offenders be brought to justice. The availability of this data should provide for greater protection of the public, better use of limited law enforcement resources, and careful protection of individual rights. (Ord. 8453 § 1, 1988).

12.140.040 Collection program. The executive is requested through the department of adult detention to set up a program for administering a collection of blood samples in accordance with Section 12.140.050. This program shall include requirements that the blood samples be taken under sanitary conditions in a medically approved manner and conducted by a physician, registered nurse, or physician's assistant, licensed to practice in this state. The executive is requested to submit a proposed budget for operation of the collection program by July 1, 1988. (Ord. 8453 § 4, 1988).

12.140.050 Date of implementation. After October 1, 1988 and adoption of safeguards required in Section 12.140.060.B, every individual convicted in King County Superior Court of a felony defined as a sex offense in Chapter 9A.030(23)(a) of the Revised Code of Washington or any felony assault with intent to commit such a sexual offense shall have a blood sample obtained for purposes of DNA identification analysis prior to release or prior to transfer to a state institution. (Ord. 8453 § 5, 1988).

12.140.060 Safeguard provisions.

A. Any blood sample taken pursuant to this chapter shall be used for the sole purpose of providing DNA or other blood typing tests for identification analysis and for no other purposes.

B. Safeguard provisions to implement these limitations shall be adopted by ordinance prior to blood samples being taken pursuant to Section 12.140.050. (Ord. 8453 § 6, 1988).

12.140.070 Cooperation with other enforcement agencies. In developing a DNA system the county desires to cooperate with the State of Washington and other interested local and national law enforcement and forensic evidence agencies to assure that the resulting system shall be compatible with and integrated into potential state and federal systems to the greatest extent possible. (Ord. 8453 § 7, 1988).
